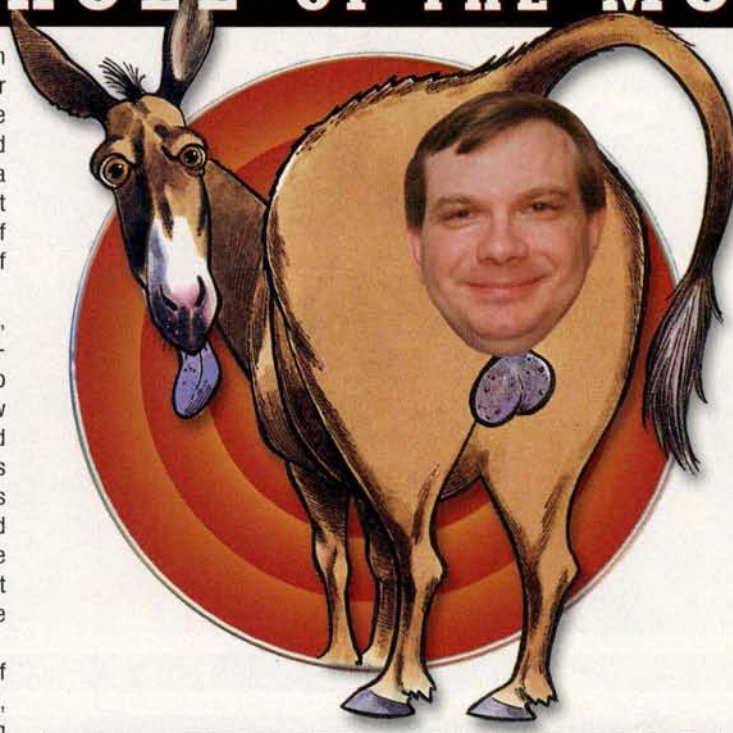
Bits & Pieces

ASSHOLE OF THE MONTH



JOHN FUND

The pen may be mightier than the sword, but it's no match for a rectum set on fecal blast. The combination of the written word and the flying turd creates a weapon of ass destruction that spews ink and shit and calls itself John Fund, HUSTLER's Asshole of the Month for July 2002.

A poop-slinging pundit, Fund, 46, pops up to make moral proclamations on *700 Club* and slithers onto the set of any cable "news" show that needs an extra blowhard. Fund has dropped his loftiest butt bombs from the *Wall Street Journal*'s editorial board, where he plunged the paper's opinion page into the tabloid-trash cesspool, with most of the backsplash landing on the Clinton Administration.

Fund's anti-Bill bias is a matter of record. Before Clinton was elected, the scribe sat in on a 1992 meeting with, among others, Larry Nichols. Nichols, once an Arkansas state employee who'd been fired by then-Governor Clinton for misusing official phone lines, made a second career of circulating crackpot rumors about his former boss. The meeting's stated purpose was "to bring down Bill Clinton."

Fund's mere presence strained the bounds of journalistic ethics. John further shredded his integrity by promoting Nichols's delusional videotape, *The Clinton Chronicles*, on the *Journal*'s editorial page. Fund also ran an excerpt from the discredited anti-Clinton screed *Unlimited Access*, after being made aware of the book's inaccuracy. Under his guidance, the *Journal*'s opinion section gushed slimy prevarications with such regularity that White House Deputy Counsel Vince Foster, a frequent target of the paper's rumor mill, pointed out in his suicide note that "the *WSJ* editors lie without consequence."

Nudging a man to self-annihilation from a media bully pulpit marks a new level of sleaze. Yet Fund condemns twice-elected chief executive Bill Clinton, who fibbed about fatty blowjobs, as a "rogue President" whose tenure was an "eight-year national nightmare."

Fund's shrill histrionics pale compared to his hypocrisy. In 1998, at the height of Lewinsky-mania, John stopped pillorying Clinton long enough to bed Morgan Pillsbury. Twenty years his junior, Morgan is the daughter of Melinda Pillsbury-Foster, whom John dated in the '80s, when the two worked for the Libertarian party in California.

John must have taken a shine to Morgan, whom he often baby-sat, when he was banging her mom. Years later, Melinda recalls, Fund told her, "If any of your children come east, have them look me up." When Morgan, then 23, arrived in New York, smarting from a recent breakup, Fund took the youngster under his wing and consoled her with his thrusting prick.

Still, Fund demanded that Morgan keep their relationship a secret from both the public and her mother. When Melinda confronted him, Fund replied that the only contact he'd had with Morgan was "to feed her cat." John broke romantic ties with Morgan in 1999 after knocking up the lass, who subsequently had the bastard fetus flushed from her womb. Fund, a frequent champion of the GOP's family-values thug squad, offered no objections and suggested no alternatives.

Fund reserved his slimiest moves for late last year, when news of the relationship began to surface. Fund reportedly pressured *Talk* magazine to scuttle a piece detailing the affair. After Pillsbury-Foster, armed with a taped phone conversation between John and Morgan that made the relationship irrefutable, went public, Fund sought to discredit her by hinting at a conspiracy.

"I hope that someone isn't indirectly encouraging her to do this in order to pursue a political vendetta," noted the scribe, who built his career on just such tactics.

Fund apparently took a more direct route to intimidation on February 19, 2002. According to a complaint filed by Pillsbury, Fund showed up at her East Village home and "grabbed her by her arms and pushed her, causing her to sustain bruising on her left leg."

Fund was arrested, booked on assault charges and slapped with a restraining order. According to Melinda—whose record for accuracy is as good if not better than Fund's—the scribbler tried to evade capture by hiding in the crapper at a think tank he is associated with.

Dumbfuck, that's the first place cops look for a dribbling Asshole.

FARTS IN THE WIND

Ari Fleischer: White House spokesman Fleischer recently tried to blame current eruptions of violence in the Middle East on former President Bill Clinton's peacemaking efforts. "You can make the case that in an attempt to shoot the moon...more violence resulted," Ari burbled. "Of course I stand by it," Fleischer later said of the assertion. By day's end, the flack was forced to issue a written retraction for his ludicrous "implication." As a mouthpiece, Ari talks out of his Asshole.

Trent Lott: Vowing revenge for the Senate Judiciary Committee's rejection of ideologue jurist Charles Pickering's nomination to the U.S. Appeals Court in New Orleans, deposed former Senate Majority Leader Lott announced he will block an aide of Senator Tom Daschle's from a position on the Federal Communications Commission. Lott's eye-for-an-eye gambit makes him look like an Asshole.

The stuffed shirts at Sak's Fifth Avenue may shun the business of Winona Ryder (who was arrested on shoplifting charges there), but the bulging pants at HUSTLER Hollywood (8920 West Sunset Boulevard, West Hollywood, California) want Miss Ryder to know she will always have a safe, discreet shopping experience with us. Matter of fact, Winona, we implore you to peruse our wide selection of adult toys, clothes and other sexual necessities. And if one or two items (preferably of the dildo variety) should go AWOL, Larry's got your back, sweetheart. Besides, that surveillance tape may become one of our top sellers.

Open Manhole

HUSTLER Art Directors have long shielded readers from a shocking and dangerous trend in our photo layouts—the male asshole. However, pictures of hairy, brown starfish have reached epidemic proportions lately in the unedited film submitted by the leering lensmen of America's Magazine. Like Elton John, Senior Photographer Clive McLean (standing) originates from the U.K. and wears earrings. Photographer Matti Klatt (seated) does not wear socks and *heils* from Germany, land of sausage. We leave it to you, our HUSTLER readers, to gauge how far down the path of RuPaul these men have vogued.

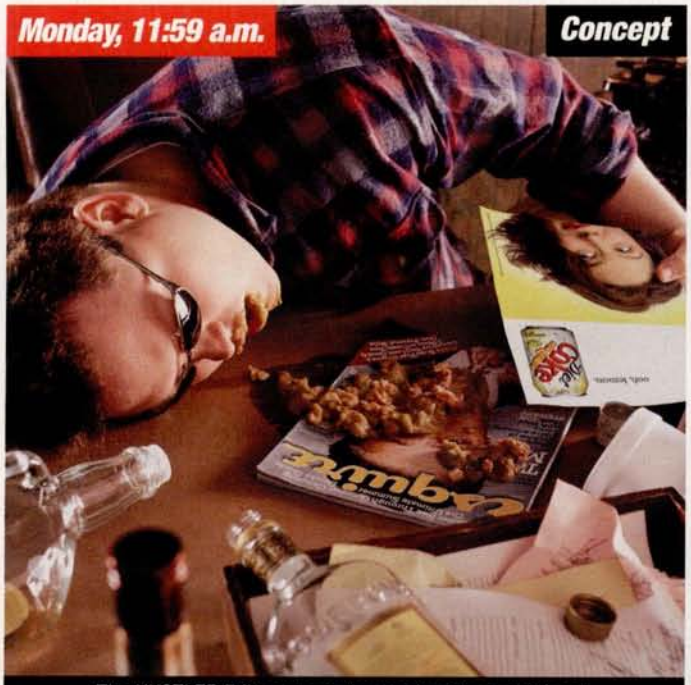
Behind the Scenes of a HUSTLER Parody

Ad Nauseam

Pussy lips + Diet Coke = Funny

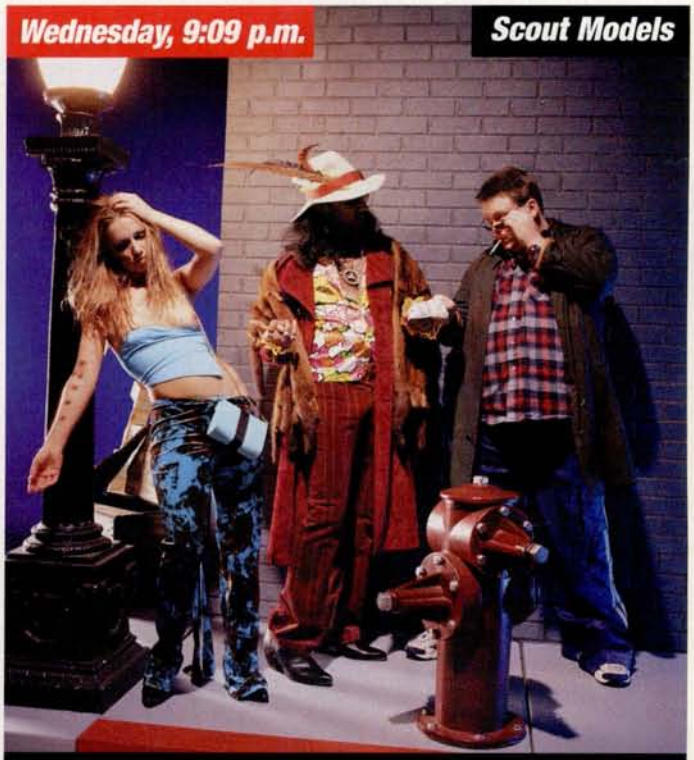
Over 28 years, HUSTLER has looked into the past, the future and even other magazines to celebrate the anniversary of this groundbreaking publication. Now, in the interest of fair play and against the advice of our lawyers, readers are invited to take a behind-the-scenes look at a *Bits & Pieces* photo-shoot. This is where the magic happens.

Monday, 11:59 a.m. — **Concept**



The HUSTLER Editor greets the week with youthful zeal. He dedicates his day to research and conceptualization of the ad parody.

Wednesday, 9:09 p.m. — **Scout Models**

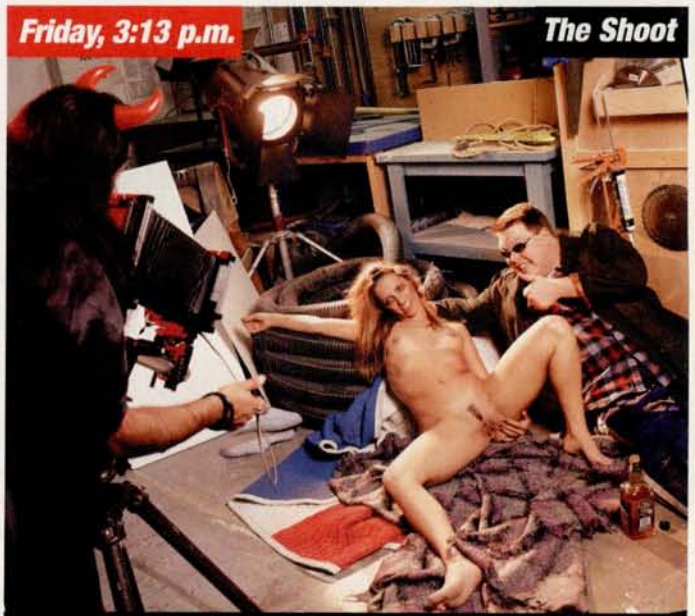


Once the idea has been hammered out, the Editor searches HUSTLER's vast database of talent to find a model who embodies perfect charm, beauty and innocence.

Friday, 8:42 a.m. — **Apply Makeup**

The day of the shoot, the model arrives early for makeup. Sometimes it takes hours to accentuate her natural beauty.

Friday, 3:13 p.m. — **The Shoot**



With expert set construction and an experienced photographer, the model prepares to be immortalized in the pages of HUSTLER.

NOT A PARODY.

For Your Approval

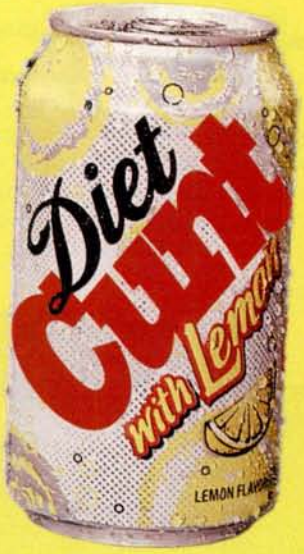
Editor: MORE BUTTHOLE

Art Director: Didn't we just do Diet COKE?

Editor-in-Chief: LAWSUIT WORTHY!

Mr. Flynt: Why do we need a diet cunt?

Ohh, labia.



PARODY. NO SUCH PRODUCT EXISTS.

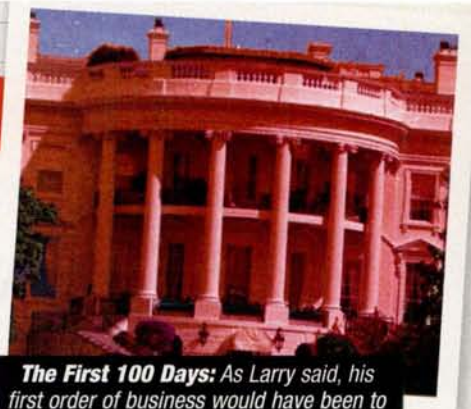
The final product. With the film developed and sent to the printer for publication, HUSTLER has created another litigation-inviting ad parody!

PARODY. NO SUCH ADMINISTRATION EXISTS. PUBLIC FIGURES' HEADS STRIPPED ONTO OUR MODELS' BODIES.

The Flynt Administration

Hail to the Pink!

In the January 1984 HUSTLER, Larry Flynt announced his candidacy for the Presidency of the United States on a strong platform of "free thought, individual liberties and civil rights for all mankind" and promised to "eliminate sexual ignorance and venereal disease." Though "nuclear-mad cowboy Ronnie Reagan" (as Flynt characterized his opponent) went on to serve another scandal-ridden term, HUSTLER wonders how the history books would read had "a smut-peddler who cares" been elected to the highest office in the land.



The First 100 Days: *As Larry said, his first order of business would have been to paint the White House pink, "because pink is what put me there."*

The Arms Race: *With Camp David converted to a HUSTLER Casino, world leaders would have gambled away their nukes, making the "Seven-Card Stud Summits" a benchmark of the peaceful and prosperous Flynt Era.*

Foreign Relations: *As ambassador, an up-and-coming Monica Lewinsky would have thawed our frigid relationship with the Cubans.*

The Red Menace: *The Cold War would have ended with a bang. "Mr. Gorbachev, tear up those walls!"*

The Economy: *In Larry's budget, "trickle-down economics" would have lived up to its name and given hardworking Americans the stimulus they really needed.*

Anne How!

This month's centerfold, Anne (Anne: A Screw World Order, April 2002) is stunning. I know that most HUSTLER readers go in for close-up cunt shots, but the image I keep coming back to is the shot of her perfect, oil-slickened ass. I love the way the downy, golden hair on the small of her back glows in the light. I'd love to paint that patch of heaven with hot jizz. —R. M.
Carol Steam, Illinois

Hot Bobbie

Bobbie is intense (Bobbie: Among the Cherry Blossoms, May 2002 HUSTLER). Her piercing blue eyes hypnotize me, and her vibrant, pink pussy makes my stomach growl. I love the first shot—the close-up of her finger digging into her clam to prod her clit. Please tell me that you're gonna bring Bobbie back for a boy/girl photo-shoot. —N. L.
Big Spring, Texas

Brittani Cheers

I love the girls in Beaver Hunt, but I'm usually not compelled by them to do much more than whack off. Brittani, from the March 2002 HUSTLER, changed all that. As soon as I finished rubbing off a load, I sat down to write this letter. This is my vote for Brittani as Beaver Hunt Finalist. —A. K.
Dodge City, Kansas

We appreciate your eagerness to vote, A. K. But next time, please do us a favor and wash your hands before writing.

He's Down on His Knees

I don't care if you have to borrow, steal or kill. You have to put Cecilia from the April 2002 Beaver Hunt in another photo-shoot. I don't care if it's solo, girl-on-girl or girl-on-guy. I just want to see more Cecilia. —S. W.

Up With Anal

Anal sex is not just for the female tail-end and fence-straddling fairies anymore. Straight, male asses can enjoy the pleasure of butt-sex too! Ass-jamming ads, chicks with dicks and babes with strap-ons are appearing with greater regularity in both the ads and content of all porn mags. Your February 2002 issue is replete with close-ups of male-to-female anal penetrations, but the issue's pièce de résistance was the two-page shot of an insatiable Catharine probing Henry's prostate (Catharine and Henry Jockey for Each Other). Beautiful. Like it or not, vanilla-sex crybabies, anal plugging from every angle is here to stay. —S. K.

CONSUMER ALERT: When ordering merchandise through any mail-order supplier, minimize your risk of being disappointed by dealing only with mail-order merchants who accept credit-card payment and have a working phone number in their ads. Any offer that seems too good to be true is probably untrue.

Hair Kink

I enjoyed your Sex Play about hirsute women ("Tuft Love," Holiday 2001 HUSTLER). My fetish involves women's hair, but is much different. I'm turned on when women girlishly twist, tug or chew their hair. Some people say that chicks who fool with their locks are nervous or sexually deprived. Either way, I find it irresistible. Keep covering funky fetishes, HUSTLER. —H. L.
Albany, New York

HUSTLER's reporters take pride in exposing our readers to every kink known to man. If someone is popping wood, HUSTLER will be there to find out what's inspiring that boner.

I love to see black cocks in action. I was very pleased with Erotic Entertainment in the January 2002 HUSTLER. Thanks for reviewing Lexington Steele's Heavy Metal #2. I plan to purchase this video immediately. —V. G.

the values that this great nation was founded on. As much as anyone, I felt the devastating emotional effect of the September 11 attacks. I believe that HUSTLER has as much a right to cover the war on terrorism as the mainstream media. I'm carbon-copying this letter to the White House and HUSTLER. God bless America and all who protect her.

—S. S.
via Internet

Thanks for the support, S. S. In these troubled times we're glad somebody remembers that revoking freedom is a boneheaded way to defend it.

Open Mind, Stuffed Ass

Holy shit! I just finished reading the latest issue of HUSTLER from cover to cover. I was totally blown away by that nasty slut Catharine banging her young stud in the ass (Catharine and Henry Jockey for Each Other, February 2002). I have to admit, a few years ago I might have thought this kind of buggery was repulsive, but prolonged reading of your magazine (Dear Slut in particular) has really opened my eyes to a new world of sexuality and self-pleasure. Keep pushing the envelope, HUSTLER. I'm down to see more latex-enhanced babes such as Catharine.

—J. M.

Homo for HUSTLER

I saw Catharine and Henry Jockey for Each Other in the February 2002 HUSTLER and read the cries of outrage from some of your readers in the April 2002 issue. Yeah, the content of the spread was somewhat unexpected, but if HUSTLER thought that it was okay to print, what's the big fucking deal? What I take exception to is readers assuming that the layout was meant to appeal to "fudge-packing butt pirates." Sorry to say, assholes, but a dom assaulting her love slave with a strap-on ain't necessarily a queer thing. I'm a gay man, and I don't take anything up the ass. I'm amazed that there are so many pussy-assed babies out there who can't handle HUSTLER's taboo-busting pictorials. I think HUSTLER is the shit; I don't know what's wrong with some of you straight guys.

—D. W.
Swampscott, Massachusetts

Ass-tastropy

What the fuck is wrong with you guys? I don't have a subscription to your rag so I can see some dude take a dildo in the ass. Catharine and Henry Jockey for Each Other (February 2002 HUSTLER) was repulsive. If you print another bullshit piece such as this, I will cancel my subscription immediately.

—R. M.
via Internet

The responses to our controversial layout are still pouring in. Support for HUSTLER's renegade spirit outweighs the more conservative element nearly three-to-one. Expect HUSTLER to continue cornholing carnal expectations.

The Hunt Widens

I've been a HUSTLER reader for years. I always flip straight to Beaver Hunt in search of ladies with huge pussy lips. I love big, floppy meat flaps. Why doesn't HUSTLER have a contest searching for America's biggest pussy?

—P. Z.
Rochester, New York

We've never held such a search, P. Z., but if you ask us, pick any one of those fruits from 'NSYNC or the Backstreet Boys and you've got your winner.

Your magazine blows all the others out of the water. Your photographers are the best. I'm completely satisfied with HUSTLER, but why did the May issue go up in price?

Jeanna Fine Tells the Fucking Truth

Surviving Porn

I just turned 18 and am thinking about becoming a porn star. My role models are women such as yourself, Jenna Jameson and Janine. After seeing the E! True Hollywood Story about Savannah, I wondered how you avoided the pitfalls that so many starlets seem to encounter. What was your secret to making it in XXX without winding up used, abused or dead? —J. R.
via Internet

The key to XXX sanity is to have a life outside of porn. It's very easy to become engrossed with the sex, money and popularity, then lose track of who you really are. When I started out, my family and I remained close, 90% of my friends were porn civilians, and I tended to date outside of my work pool. In her guise as the porn star Savannah, Shannon Wilsey put too much faith in her XXX persona and let her real identity fade away. When Savannah's life crashed and burned, so did Shannon's. Stay true to yourself, and the same thing won't happen to you.

I've always loved eating pussy, but recently, while buried nose-deep in my wife's wet crotch, my gag reflex kicked in. Now, the sensation of runny pussy juice in my mouth sends me into convulsions. Anybody who's overdone tequila shots can tell you that the slightest whiff of the stuff will sour their stomach. Take a short break from cunnilingus, then ease yourself back in with some vaginal hair of the dog. Try munching your girl's mound in the shower or the pool, where her juices are diluted. Reteach your reflexes to like and lick pussy, and your gut will soon fall in line.

Pussy Inspector

My wife may be cheating on me. I work 50 to 60 hours a week and can't afford a private eye to prove my theory. The guys at the factory say that you can tell your wife is messing around by the look of her pussy. If I peer closely, will I be able to tell that my honey's cunt has just been fucked? —R. X.
Reno, Nevada

The pussy is made of muscles that are capable of snapping back very rapidly. Moments after sex, the cunt will appear slightly gaped, then quickly return to normal. Forcible fucking can leave abrasions and tears, but consensual sex will be difficult to detect without laboratory equipment. Try a more direct route. Ask your wife if she's fucking around. Plan a vacation. Treat your spouse to a romantic getaway and remind her that she doesn't need to go out for hamburgers when she has steak at home.

Missing in Anus

How dangerous is it to shove food up my girlfriend's ass? The other night we gaped her pooper with a dildo, then I threw grapes into the open hole. I'm pretty sure one of the grapes didn't reemerge. My girlfriend said not to worry and that she'd just shit the fruit out later. I'm not so sure. Can fresh food injure my lover's insides? —I. L.
Del City, Oklahoma

Don't worry. That grape has long since worked its way out of your babe's innards. That said, the lower colon can be sensitive; so stick to mild, soft-skinned fruits. Avoid spicy, overly acidic or rough-peeled food. Use common sense, and most importantly, be gentle. An anal injury can be a real pain in the ass.

Wrist Action

Can constant masturbation cause carpal-tunnel syndrome? I'm feeling serious pain in my arm and hand, and whacking off is the only repetitive activity I take part in. Do I need to adopt a more ergonomic stroking method? —Z. N.
Blacksburg, Virginia

Any repetitive activity can cause injury. Try rotating your technique. Switch fists often and try stroking overhand. Buy a pocket pussy or other fuckable toy and give your hands a rest. If worst comes to worst, pick up a wrist support at the local drugstore. If the pain persists, consult a physician—there are many treatments for this kind of discomfort.

Gonad for the Gold

I've heard that Olympic coaches don't let their athletes have sex or masturbate before competition. Does backed-up cum contain chemicals that make people stronger? If so, why don't they make female Olympians swallow jizz the day before a big event? —J. P.
Jennings, Missouri

This practice is purely psychological. Coaches want to keep their players hungry. By withholding sex until after the big event, the sportsmen strive to achieve with poontang *(continued on page 31)*

Dear Slut

"When I make out with a chick, I spend the entire time holding in farts. My mind is so preoccupied with retaining gas that I can't enjoy sex."

(continued from page 18) as a reward. Banning pregame fucking also assures that players will be well-rested. I hate to tell you, but the women's luge team won't be looking for semen donors. Females gain no physical boosts from swallowing jizz.

Parental Mind-fuck

Porn is ruined for me. My wife and I once loved watching hard-core movies together. We've been fucking with XXX tapes in the background since we met. Recently we were blessed with a baby girl. Now I can't look at a stroke flick without thinking, "That girl is somebody's daughter." I imagine how sad the starlets' parents must feel, and lose my hard-on. Now that I'm a father, will I ever be able to watch porn again?

—C. M.
Longview, Texas

As a new pop, your protection instinct has kicked in with full force. Right now your overactive sense of duty to your female offspring is extending to every woman on the planet. As you become more accustomed to fatherhood, these primal impulses will wane, your sense of responsibility for all things female will diminish, and your urge to whack off to porn will return.

Rectal Pressure

I usually don't have gastrointestinal problems, but when I make out with a chick, I spend the entire time holding in farts. By the time we proceed to the bedroom, the abdominal cramps are brutal. My mind is so preoccupied with retaining gas that I can't enjoy sex. What should I do? *—D. J.*
Montebello, California

Examine your diet. You may not usually have problems with gas, but what you're eating, paired with the stress involved in trying to score, may be too much for your stomach to handle. Next time, skip the dinner date and see how your guts fare in the sack. During the course of the evening, excuse yourself and take a huge dump. Clearing out your bowels prior to porking should cut down on midsex farts. Pop an antacid or two while you're at it, and you should be able to fuck up a storm without stinking up the place.

Pre-Fuck Hygiene

My girlfriend always cleans her privates before sex. I usually don't. Am I subjecting my fuckmate to foul crotch smells, or do guys have less need for a genital bath before sex? *—T. O.*
Boston, Massachusetts

Because of the nature of our genitals, women ought to scrub with soap and warm water before every sexual encounter. Men have less need for a pre-screw bath, but that's no excuse not to clean up anyway. Ball sweat, remnants of a midday crap and dried urine can and do create a real stink. Babes appreciate a man who scrubs up before a roll in the hay. A guy with a clean dick is way more likely to score a blowjob than a slovenly schlub with a funky crotch.

Hopped-up Humping

I'm aware that drugs may be bad for you, but I disagree with the government telling me what I can put in my body. The same goes for when, where and how I screw. At the risk of aiding terrorists, what illicit substances best enhance fucking? *—F. B.*
Knoxville, Tennessee

Everyone responds to drugs differently. First, determine what kind of narcotic best suits you. Don't try to fuck on chemicals that usually make you sick or incoherent. Pick your favorite poison, use it in moderation and fuck until dawn.

Hot Letters

Vulva Las Vegas

There's a worn-out hotel and casino in downtown Vegas; I'll call it the Conquistador. The place stinks of mold and 60-odd years of smoke, but it's affordable. I was there the weekend after I'd been laid off. Soon enough, I'd be stuck at home for months, trying to stretch my supply of rice and weed until the next unemployment check arrived; before then, I was determined to have fun. The Conquistador has dollar craps and $50 blowjobs. Both are a much better deal than you'll find on the Strip.

When I hinted that I was looking for a girl, the guy at the courtesy desk practically handed me a menu. Within 15 minutes, I was shown to a stripped-down version of the hotel's musty little rooms, furnished with only a sway-backed bed and a chair.

A brunette whore in an opalescent pink halter top showed up. Like the Conquistador, she was clean and serviceable, if shopworn, in a standard-issue slut uniform of high-heeled platform sandals and powder-blue hotpants. She extended a paw with glossy-red nails and announced, "I'm Janice."

I paid the prostitute and led her to the bed, but she plopped down in the chair instead. "No kissing," she warned matter-of-factly, "and no anal. When the hour's up, it's up."

Janice removed her top, exposing medium-size tits that turned upward. I plucked at one of her large, wrinkly areolas. Despite my surest convictions, her yelp of pleasure sounded genuine.

The callgirl stood, rubbing her chest into mine as she clutched at my pants zipper. "I have very sensitive nipples," she hissed, then leaned back and blew on one milk spigot by way of demonstration. Her nerp thickened, darkened and popped away from her boob until it seemed ready to drop off like a ripe fruit.

Janice dug her fingers into my crotch and raked her nails under my sac as she crooked my head down to her agitated breast. "You try it," she said.

As a paying customer, I had fully expected to call the shots, but my hand was on the small of the whore's bare back, and I felt her pulse double when I puffed on her titty-tip; so I kept at it as she undid my zipper and extracted my hard-on.

"Bite it," Janice urged, tugging at my titanium-hard cock. I complied, noting the stink of aroused pussy that filled the room. The pross whimpered as I raked my teeth over her cherry-size nipple. The thick nub bounced with her heartbeat. I clamped my choppers down hard, but that only increased the whore's enjoyment.

My balls responded to the slut's expert fondling, and I blew a load of cock snot into her cupped hand. Janice drew the baby batter to her lips and, winking, slurped it down like an oyster.

The sight of this painted woman quaffing my goo stirred my dick to action. After she freshened up with an Altoid, I shoved the whore onto the ratty, stained quilt and pulled off her hotpants with a jerk. Janice giggled at the rough treatment and spread her thighs all the way apart, like a gymnast. Her pussy was bald and surprisingly fresh-looking for a whore of such evident experience. Wet, spongy pink glistened behind her pursed labia, and a single tear of girl grease oozed between them. I shoved my pud in with ease. Janice's accommodating hole was the only indication she'd been renting it out; the vaginal muscles that clamped down as I crammed my cock into her slippery recesses more than made up for the initial relaxed fit.

Every thrust made the whore holler, laugh and gasp. I was having the ride of my life, pistoning between her spread, straight legs. *(continued on page 40)*

I plunked my pecker into Janice's hungry mouth. We ate each other out with a raw, animal abandon that soaked the threadbare quilt with sweat.

(continued from page 32) Her rubbery nips skipped across my skin as my weight mashed her boobs. The prostitute seemed to want to fuck me as much as I wanted to get laid, but I was surprised when she leaned up and put her tongue in my mouth.

"What about 'no kissing'?" I grunted, grinding hard into her.

"Save me," Janice whispered, clamping her minty lips to my mouth. I pumped her cunt more vigorously, slapping into her with each thrust. *Save her?* She'd seemed so together, but, of course, she was a whore. How happy could her life be?

The girl's thighs wrapped around my waist. She clung to me and arched her back as my groin rumbled. I rooted beneath her fleshy ass and found her shithole. She moaned in approval as I slowly worked a digit into her winker, using the leverage to jam her vise-grip twat onto my bulletproof dick. *Save her?* I pondered, working both index fingers completely into her poop chute and parting her butt cheeks from the inside. Perhaps I could take her out of this meaningless, dead-end rut, and have a pretty decent piece of ass for my own.

I pulled out and plunked my pecker into her hungry, waiting mouth. We ate each other out with a raw, animal abandon that soaked the threadbare quilt with sweat. I convulsed, nearing a tremendous climax that I half-hoped would blow her head off and spare me the conundrum.

Save her? If I couldn't find work when my unemployment benefits stopped, maybe she could help out with the bills until I landed on my feet.

I slathered her juicy, talented pussy with spit and love, diddling her clit with my fingers, tongue and chin, marveling at the genuine response. Janice wasn't kidding; she was really getting off. The biggest blob of cum I'd ever spilled cascaded into the whore's coaxing face. She grinned, toweled the spooge from her eyes, and we kissed again.

My decision was made. "I'll take you home with me, Janice."

"Actually," Janice cooed, stroking my face, "my real name is Michelle."

Her painted nails traced my spent dick, reviving it yet once more. We locked hips a few more times with increasing passion and finally fell asleep in each other's arms.

When I woke up, Janice and my wallet were gone. —L. G.

Fistin' by the Pool

My best friend Claire's a Filipina, short and thick. We look pretty funny together—a tall, thin redhead and a stocky, dark ball of T&A—but nobody cares for me the way Claire does. When I left my out-of-work husband, she and her live-in, Tommy, took me in for a month. I still hang out with them.

Tommy's a contractor; so their small home is a maze of expensive surfaces. A handsome redwood deck in back surrounds an in-ground swimming pool. Many summer days, we lie around the lavishly finished backyard, knocking back rum-and-Cokes and blasting *The Best of Sweet.* Claire looks particularly fetching in a bikini; when she's wearing regular clothes you might assume there's a roll of fat in the gap between her big jugs and her broad hips. There isn't.

The three of us were particularly shitfaced one day last July. My short buddy was all over her man, standing at the head of his chaise longue and dangling her boobs in her boyfriend's face, then turning around to bounce her butt on his noggin.

"Hey, Esther!" Claire called to me. "Come help me torture this fuckhead!"

Between his boozy expression and the bulge in his Speedos, Tommy seemed anything but tormented, but I stumbled over and knocked my butt into the chair in time to "Fox on the Run" anyway. Little Claire wasn't content with my effort. She straddled her drunk lover and grabbed my twin globes of seat meat.

"Sit *down!*" the curvy mischief-maker crowed. "Slam your freckled ass on his *head!*"

Claire's boyfriend is cute enough; so I squatted over his face. We both bounced our rears against Tommy, who just laughed and jerked my swimsuit to the side. Seeing the tasteful "V" of copper-colored muff atop my pubic mound, the aroused souse burped and gurgled, "Look, Claire, the drapes match the curtains."

I wasn't sure how I felt about Tommy's assumption that I was a fake redhead, but my pussy wafted musky approval while my brain hesitated. Between my thighs, I saw Tommy's eyes roll back into his head. I thought he'd passed out until the sloppy noises behind me made me (continued on page 50)

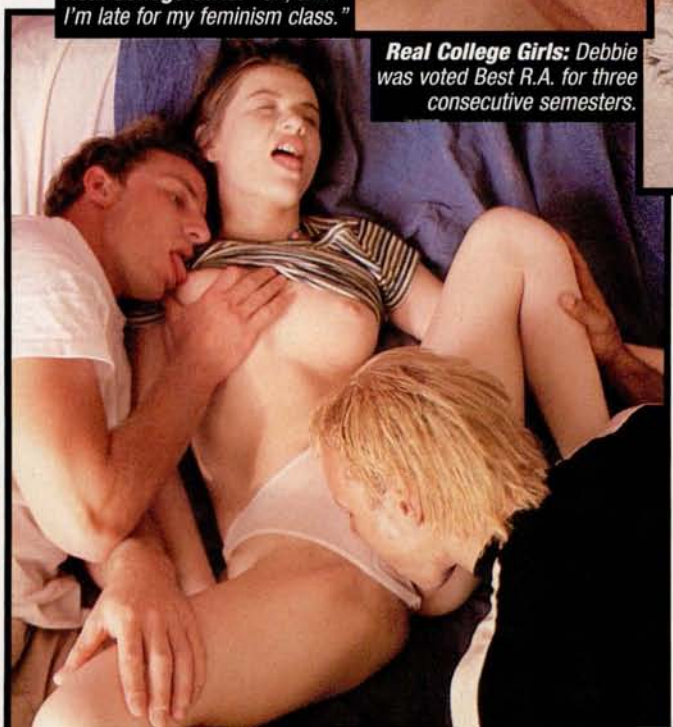
Real College Girls: *"Oh, shit! I'm late for my feminism class."*

Real College Girls: *"The fucking government turned down my application for financial aid."*



Real College Girls: *Debbie was voted Best R.A. for three consecutive semesters.*

Real College Girls

Directed by Bob Sima.
Starring Maria, Josie, Valerie, August, Chrissy and Debbie.
Videocassette: HUSTLER Video.

Real College Girls exposes the reality-porn flip side of BARELY LEGAL. The sluts in Clive McLean's legal-teen series waltz through life, blithely sucking cock because that's what they love. Director Bob Sima's girls are a little older, a little smarter and hurting for cash. These wannabe grads have answered ads that say, "Need money? $1,000 in a few hours." They're young, cock-starved and desperate to make ends meet. Mostly, their supple tails merge with veiny loin swords, but Valerie, a saucy coed, goes dyke with her girlfriend August for a wad of cash. The pair enthusiastically suck cunt, providing one of this year's exceptional girl/girl scenes. Black-haired Maria takes on two studs, riding one prick while huffing another. Before she fucks, each girl shows her college ID to the camera to prove her authenticity. These *Real College Girls* aren't just any whores off the street; they're whores with a future.

BARELY LEGAL #1's Allysin: "This should cool you down."

Scorching Hard-core

HUSTLER Video's **Hottest Scenes**

Three short years ago, on Larry Flynt's order, HUSTLER Video was born. With a whopping 115 video releases now under our belt, HUSTLER has amassed a healthy catalog of high-caliber hard-core. *Erotic Entertainment* takes a look at five of the best boffs our ever-growing blue-screen smut line has to offer.

BARELY LEGAL #1: "The Voyeur"

Bunny Luv and Allysin Chaynes frolic poolside, spraying each other's clits with water from a hose, while Herschel Savage spies with his video camera. The peeping Tom is soon swimming in legal-teen snatch, porking both nubiles before blowing his seed on their panting faces. Hot, stylish and a little bit perverted, this rollicking threeway set the standard for all BARELY LEGAL boffs to follow.

BLACK & WILD #1: Caramel and Dominiko

At first glance it's obvious that Caramel is a freak, but it's the look in the busty sister's eyes as she eagerly slurps Dominiko's balls that seals the deal. When Caramel drops to all fours and aims her booty at the camera, resistance is futile. Caramel rides man-flesh with a sly smile that betrays her unabashed whorishness.

DJ GROUPIE: Lola and Monica Mayhem

The sweltering Miami heat moistens Lola and Monica Mayhem in this techno-fueled, girl/girl romp. Writhing to the beat of their personal deejay, the slender pair teasingly make their way from heavy petting to serious screwing. When a double-headed dildo is introduced, their rooftop dance party rapidly devolves into an all-out lesbo fuckfest. Not that there's anything wrong with that.

JAIL BABES #1: Marti and Coral Sands

Marti, a self-avowed lesbian, dishes the dirt on her bank robbery, then hand-picks porn starlet Coral Sands for an onscreen rug-munch in the first-ever HUSTLER Video sex scene. Marti's buoyant natural breasts, along with the intimacy and realism of this sapphic pairing, make this scene irresistible stroke fodder.

HUSTLER XXX #2: "Costa Rica Beach"

Pierre Woodman's directorial muscles flex when Rita takes on a trio of Euro-tools in this beachside vignette. The tanned, top-heavy slut takes a pounding from both the surf and studs before having her face doused with salty ball-spray. The scene stands out for both the sheer beauty of its gash and the unparalleled intensity of her fucking.

Ass Clowns #3: *From the director's cut of the bin Laden tape.*

Balls Deep #4: *After Lexington accidentally swallowed his toothpaste, hilarity ensued.*

X Professionals

Directed by Nicholas Steele.
Starring Brooke Lane, Nikita Denise, Claudia Adkins, Kristina Black, Lea DeMae, Holly Hollywood, Joey Ray, Evan Stone, Jean Luc Godard, Mr. Marcus, Steve Drake and Steven St. Croix.
Videocassette: Adam & Eve Productions/ Ultimate Pictures.

"We're stealing lifestyles," boasts shady crime-ring member Evan Stone in the overblown hard-core thriller *X Professionals*. How about stealing the right camera lens? This entire feature looks digitally squeezed onto the screen like the end credits of a Godzilla movie. When Steven St. Croix's prong is vertical, it looks about as long as he wishes it really were, and when the pud is horizontal, it looks like a midget's thumb. This optical effect also wreaks havoc on surgically overaugmented star Brooke Lane, whose tits are made to resemble misshapen gourds. Fancy sets and a decent dykefest featuring Nikita Denise are negated by boner-killing expository scenes and dialogue such as, "My pappy always told me to have a really good cigar whenever you close a really good business deal." *X Professionals* is strictly amateur.

—Clive Thurstwood

The Unknown Curse

Directed by Mr. Vegas.
Starring Jennifer Steele, Jasmine Klein, Brooke Hunter, Miss Arroyo, Bisexual Britni, Satan's Whore, Alexxxis, Jenni Cox, Dirty Kitty, Napolean, Kid Red, Ron Jeremy, Brian Surewood, Don Hollywood, Brett Rockman, Mr. Pete, Johan, T. J., Shane Berry, Retarded D, John Johnson, Paul Davis, Mario Salazar, Mike Tsunami, Mark Stiffy, Dennis and Koka.
Videocassette: Armageddon Entertainment.

If *The Unknown Curse*, a surprisingly strokable XXX freak show from the perennially limp director Mr. (née Kid) Vegas, isn't a sign of the coming apocalypse, we don't know what is. The whacked-out story follows a retard in a pumpkin suit as he tries to foil a gang of space midgets in bumblebee costumes, rednecks and Ron Jeremy. Subject matter this stupid is nothing new to Mr. Vegas, but this surreal exercise in absurdity is entertaining, occasionally funny and contains enough perverted copulation to rub off several guilty loads. Bisexual Britni boffs, then sucks off, a hyperactive midget. Jennifer Steele wrestles Mr. Pete to the mat, then puts his prick in an ass-lock. The impossible has happened: Vegas has finally mastered the art of idiotica. *The Unknown Curse* is a decent porn flick, which is as big a mystery as its title affliction. ***—N. V.***

Ass Clowns #3

Directed by Thomas Zupko.
Starring Veronica Caine, Dannaca Grey, Drew Lynn, Jennifer Steele, Bree Brooks, Brian Surewood, Mr. Pete, Valentino, Brett Rockman and Dick Nasty.
Videocassette: Extreme Associates.

Thomas Zupko's *Ass Clowns #3* is so random that viewers will wonder if they're actually watching a stroke flick. Somewhere under the religious symbolism, violated squashes, smeared body paint and Elephant Man makeup are a handful of sluts struggling to suck cock and take it in the ass. The requisite spiritual rant here is a crucifixion blowjob and ass-fuck starring bubble-titted Dannaca Grey and Brian Surewood. For all of its efforts to shock and mind-fuck, the scene is basically artsy-fartsy. Zupko, however, nails the final segment, in which Osama bin Laden prays that "Allah brings me a round-assed infidel." When Osama's cronies drag Veronica Caine into his cave, the wench is reamed by three towel-heads before the western soldiers blow them away and bone Veronica again. Whimpering and doused in jizz, Caine saves *Ass Clowns #3* from being a total joke. ***—C. T.***

Balls Deep #4

Directed by Lexington Steele.
Starring Jody Moore, Kimberly, Judy Star, Cashmere, Jesse J., Dannaca Grey, Sara Jay, Shyla, Eric Everhard, Mr. Marcus and Lexington Steele.
Videocassette: Anabolic Video Productions.

Lexington Steele wreaks havoc with porn-star innards in *Balls Deep #4*. The freakishly endowed swordsman porks Aussie babe Jody Moore to the hilt, most assuredly causing internal trauma. When another cunt proves too accommodating, Steele calls on his cocky comrade to help fill out the space. Lex and Eric Everhard double up on Shyla, an attractive slit with fuck ports like silk. Both stunt cocks do their damnedest to stretch Shyla to the limits, but the tactile ecstasy of her inputs proves to be a worthy opponent. "Your fucking pussy..." Steele mutters as he pulls out mid-scene and spurts a premature pop on the slut's face. Everhard fares no better from behind. "Oh, God!" the sodomite screams. "Your ass is like velvet!" Eric continues the mantra, "Velvet, velvet, velvet," as he pounds her sumptuous poop chute. *Balls Deep #4* proves that size and girth are no match for a well-lined cunt.

Babes in Pornland: Asian Babes: *Ignore the balls, and it's just like that shot from The Graduate.*

Young Cassidey: *"No, man, me and Cassidey just like to hang around."*

Babes in Pornland: Asian Babes

Directed by Jewel De'Nyle.
Starring Miko Lee, Sabrine Maui, Cheryl Dynasty, Syren, Jade Marcela, Jewel De'Nyle, Julian, Dillion Day, Herschel Savage, Steve Taylor and Joel Lawrence.
Videocassette: Puritan Video Productions.

Jewel De'Nyle gathers a bouquet of five delicate lotus blossoms in *Babes in Pornland: Asian Babes*, then subjects them to fierce ass-poundings and messy facials. Miko Lee's opening scene with Dillion Day and Julian is alone worth the price of admission. Clearly starved for cock, the sultry Far East tramp diddles her slit with a huge, green dildo while greedily sucking off two mooks. The vicious D.P. that Miko receives may curb her appetite for dick, but the concluding facial only leaves fans of Asian hotties hungry for more. Baby-faced Cheryl Dynasty is also memorable for the cock leash she uses to subdue swordsman Joel Lawrence. Director Jewel De'Nyle can't resist joining in on some of the fun, taking part in a messy, oil-drenched lezfest with Sabrine Maui. Full of exotic treats and a little extreme action, *Babes in Pornland: Asian Babes* is a hot and spicy dish for all XXX tastes. **—C. T.**

Young Cassidey

Directed by uncredited.
Starring Cassidey, Raylene, Devon, Dayton Raines, Shelby Myne, Dee, Chenin Blanc, Justine Romee, Chandler, Rene LaRue, Pat Myne, Bobby Vitale, Tony Pounds, Billy Glide, Eric Everhard, Mark Davis, Cheyne Collins, Ian Daniels, Devin Wolf, Randy Spears and John Decker.
DVD: Vivid Interactive.

In *Young Cassidey*, the titular, now-retired Vivid girl proves that she was born for porn. The whorish brunette grabs her ankles and pulls them behind her ears, exposing her clam for maximum penile access. She slurps and fingers cunt with unflagging enthusiasm. Cassidey kneels, clamps her lips around a rod and inhales. The starlet's ass bounces as her stuffed face bobs. The moist split smiling between her buns beckons the viewer with its vaginal siren song. "Fill me," the inviting orifice seems to say. During her all-too-brief stint in XXX, Cassidey was an accommodating cock-socket. The babe gives up her sphincters in several of this compilation's 11 scenes and takes facials in most of them. Cassidey sputters and gags on loads, but never loses her smile. *Young Cassidey*'s retirement is a huge loss, but this retrospective is a real winner. **—N. V.**

La Femme Nikita Denise

Directed by Jerome Tanner.
Starring Nikita Denise, Calli Cox, Star E. Night, Zana, Logan LaBrent, Dale D'Bone, Herschel Savage, Joel Lawrence, Brian Surewood and Chris Cannon.
Videocassette: Legend Video.

Weary of her double life as video whore and superagent, *La Femme Nikita Denise* takes on one last mission to bust a white-slavery ring. What makes this assignment personal for the smoky-voiced siren is that the captives being sold are innocent porn starlets. Decked out in her crotchless, camouflage spy suit, Nikita confronts goon Chris Cannon, who holds her at gunpoint and scoffs, "Even with all of your training, you still think like a porn whore." Nikita's slatternly mind-set turns out to be her most valuable secret weapon as she easily disables the greasy thug by huffing his choad. Along with plenty of hot rutting, the script also has tastelessly funny parodies of cloak-and-dagger movies, including a tribute to *Marathon Man*, in which Joel Lawrence torments Star E. Night's twat and repeatedly asks, "Is it wet?" Strokers in jeopardy can always count on *La Femme Nikita Denise*. **—C. T.**

Will Power

Directed by Mike Quasar.
Starring Hannah, Flick Shagwell, Jody, Sunrise Adams, Layla Jade, Krystal Summers, Jade Marcela, Steven St. Croix, Mark Woods and Tice Bune.
Videocassette: Metro Inc.

Tice Bune desperately wants to cheat on his wife Hannah while she's away, but guilt keeps stopping him in *Will Power*. Every time Tice's bad-boy buddy Steven St. Croix brings over eager sluts such as Flick Shagwell and Krystal Summers, Bune wimps out at the last minute. This twisted attempt at couples porn soon turns into an epic of humiliation for Bune. When Tice hires callgirl Layla Jade, the big-jugged blonde shows up with her bodyguard Mark Woods, who insists on watching to make sure there's no trouble. After Tice's wand suffers from stage fright, Woods blurts, "What's wrong with you?" and proceeds to ass-fuck Layla while Tice is stuck paying for her time. Sunrise Adams and Jade Marcela offer a break from Tice's endless indignities by lapping each other's slits. Otherwise, it doesn't take too much determination to turn off *Will Power*. **—C. T.**

La Femme Nikita Denise: *Death by pussy—the only way to be assassinated.*

Will Power: *If you're not tempted by these two, you're dead.*

HUSTLER Celebrates 28 Years of Porn Criticism

HUSTLER has been rating smut flicks for the majority of its 28 years. Porn has evolved since the mid-'70s, but the critiques in America's Magazine have remained the industry standard for both their honesty and entertainment value. A Fully Erect rating is still the most sought-after accolade in the field of XXX criticism. *Erotic Entertainment* charts the state of the porn-reviewing art from the "Me Decade" to the here and now.

Mrs. Right: *Sydnee Steele won her title one prick at a time.*

Cum Swapping Sluts: *"I'll trade you my facial for your back-of-the-throat tonsil blast."*

Bone Time: *"Remember our deal, honey. After this it's Rake-the-Yard-and-Fix-the-Garbage-Disposal Time."*

Cum Swapping Sluts

Directed by Vince Vouyer.
Starring Kiwi, Margo, Trinity, Scarlett, Joelean, Vantasia, Desert Rose, Cherry Rose, Autumn Haze, Ryan Meadows, Julian, Mark Davis, Joel Lawrence and Mark Ashley.
Videocassette: Red Light District.

Cum Swapping Sluts's auspicious debut clocks in at two hours and unspools five rod-swelling scenes of chick-heavy, threeway action. One outstanding semen eater is Desert Rose, a lean 18-year-old with pert tits and a big appetite for fat cock. She and Vantasia drain Mark Ashley's ball batter before cheerfully spitting seed into each other's yaps. Another five-star jizz gobbler is African-American princess Kiwi, a legal teen whose massive, all-natural melons could nurse a Third World nation. Although Kiwi declines the opportunity to have Mark Davis's schwang rammed up her butt, fuck buddy Ryan Meadows happily sacrifices her mud chute to please at-home anal maniacs. Full of gorgeous nymphos who live up to its title, *Cum Swapping Sluts* is a more-than-fair trade for your XXX dollar.

Mrs. Right

Directed by Brad Armstrong.
Starring Sydnee Steele, T. J. Hart, Miko Lee, Krystal Summers, Nikita Denise, Brad Armstrong, Randy Spears, Mark Davis and Evan Stone.
Videocassette: Wicked Pictures.

Sydnee Steele's *Mrs. Right* is an upwardly mobile business-bitch with a passion for sports and an intimate knowledge of motorcycle mechanics. She also sucks a mean cock, loves the insistent stab of a prick in her colon and demands her lovers' loads be spurted into her mouth. Steele plays a vodka-martini-chugging über-babe who uses her boozy brains and rock-hard bod to turn three ladies' men into quivering masses of pussy-whipped testosterone. When faced with the leggy tramp's unapologetic sexual appetite, wills wilt and groins stiffen. Steele pounces on office-jerk Randy Spears in the break room, climbs atop Mark Davis's schlong during halftime, and blows Evan Stone in a hog-filled garage. With her holes open, Sydnee Steele is anybody's *Mrs. Right.*

Bone Time

Directed by uncredited.
Starring Shanna, Mia, Tabitha, Destiny, Lauren Legend, Surfer Dave, Rod Rictor, Poli Stranger and Mickey Dee.
Videocassette: Flashpoint Productions.

Amateur cockhounds eagerly gnaw on groin cartilage in *Bone Time.* Shanna, a cute, tattooed babe, playfully pounces on Surfer Dave. The porn newbie tugs away her master's shorts and wags her shapely tail as she slobbers hungrily on the stud's chew toy. Shanna drops to her hands and knees for a doggy-style pounding. Sadly, the talent's puppy-dog enthusiasm is undercut by technical incompetence. When the time comes for Surfer Dave to spurt, the lighting goes haywire, and becomes so overexposed that one can barely distinguish the drops of jizz on Shanna's pretty face. Fans of homegrown smut may be able to ignore these sexual snafus and revel in the hairy butts, squeaky beds and stubbly snatches that make shaggy-dog porn such as *Bone Time* worthwhile.

I had all four fingers squeezed into Claire's pussy almost immediately. To my surprise, the thumb went in with a wet slurp.

(continued from page 40) realize Claire had filled her chipmunk cheeks with his dick. Her carnal monkey business emboldened me. I slipped my one-piece swimsuit down past my ankles and nestled my pale groove over Tommy's face.

The horny guy wasn't so blitzed that he couldn't work his tongue into my shaved cleft, occasionally spearing so deep that his front teeth grazed my neatly trimmed pubes. I heard a wet *splut* behind me when my girlfriend disengaged her mouth from Tommy's throbbing tool.

"Pop me between the eyes," the exotic dumpling growled. I almost lost my perch on Tommy's face when he came violently.

Claire stood up and, her brown face dripping with jizz, came around and studied her man's technique as he resumed tonguing my slippery folds. In apparent approval, she mashed her big dugs between my legs, covering Tommy's lapping mug, and turned her face up to mine. I licked the cock juice from my best friend's features, then kissed her. We'd locked lips before as sisters would, or as a joke, but this was different—if I ever kissed my real sister the way Claire and I were swapping spit, I can guarantee that laughter wouldn't be the result.

As we kissed, I felt my pussy greasing Tommy's face and, indirectly, Claire's tits. My most personal odor filled the yard. I craved release, but the poor, drunk bastard beneath us was flagging, well on his way to a nap. I lifted off him, and Claire batted him across the face a few times with her dark chest-dirigibles. Tommy only snored.

My girlfriend and I lay on the deck, making serious love. I lifted one brown udder and tasted my spattered pussy juice on her flesh—the flavor was heavenly, if I do say so myself, and Claire almost mooed with passion.

"Finger me," my bosomy buddy moaned, arching her dark slit upward. I gladly plunged my pinkie into her brown-lipped trench. The coral-colored flesh of her inner labia winked at me as I slipped a second digit into her flaps.

Claire told me long ago that she can't come without something massive stuffed into her snatch. To hear her tell it, Tommy's prick is freakishly tiny, although it looked just a tad undersized to me. My friend had insisted that her boyfriend fist her vaginally to bring her off. Claire had explained Tommy's hand-banging technique many times before. I tried to be as good to her, starting at the pinkie and saving my big guns, the index finger and thumb, for last. I had all four fingers squeezed into her almost immediately; it was as if Claire's cooch had jumped up and bit my hand. To my surprise, the thumb went in with a wet *slurp*. My mitts are small, but Jesus!

I closed my paw and turned my pussy-sheathed wrist, rolling my knuckles across Claire's G spot as I pistoned my forearm. Her eyes squeezed shut, and her meaty thighs clamped tight around my pounding arm. I found my clit with my other hand and diddled myself. My pal clenched her body, which set me off. As Claire wailed and vibrated through an orgasm that rattled my buried hand like I was shaking dice, I came myself, better than I ever had with my husband.

My only regret about that drunken July day was that I lay out, naked, without sunblock. I was red everywhere for a week—except for my right arm below the elbow.

Zapping Stepdad

I haven't always been close with my stepfather, Wilbert, but since I've grown up, we've seen eye-to-eye on a number of topics. Aside from our common understanding that my mom's a bitch, we both like the Electrogasm machine.

My girlfriend Trudy told me that the Pussycat Pleasure Palace, a local sex shop, gave away a free set of wrist and ankle restraints if you went in on your 18th birthday. I don't go for that sick shit, and never have, but this girl I know uses a big cock ring for a bracelet, and I thought maybe I could lock some leather around my pant leg and it would look cool.

It was two o'clock in the afternoon on my birthday, a Tuesday, and the store was full of hungry-looking, middle-aged guys and two plainly queer men picking their way through the shelves, laughing and whispering at every item. The clerk at the first counter, a friendly, heavy girl with a buzz cut, wire-rimmed glasses and a *Buffy the Vampire Slayer* T-shirt, told me that the Trudy's bondage-gear giveaway story was a local myth, and that every week or so another fresh birthday dupe came in, waving their proof of age and demanding to (continued on page 156)

Three's Company, Three's a Crowd

The High Price of Free Love

by Jackie Cohen

Illustration by Guy Burwell

Jeff, Jen and Laura are in their San Francisco apartment, naked in bed. "Sit on my face," orders Jen, a Caucasian chick with curly, dark tresses. She rolls onto her back. Laura, a slim Asian gal, obeys and docks her pussy onto Jen's hungry mouth.

As she eats Laura's tasty cunt, Jen eyes Jeff, and points to her own crotch. The thirtysomething writer immediately clues in and slides his stiff prick into Jen's moist snatch. The threeway sex session is both heavenly and awkward; the fuck triangle must bend into an uncomfortable position to accommodate all three sets of genitals. With each of Jeff's thrusts, the bed frame screeches from the weight of the copulating trio, but the triple players are so turned-on, they don't care.

Within minutes, Jen has a mind-boggling orgasm. Not long after, Jeff moans, shoots a load into Jen and pulls out. The spent cocksman reclines and watches the two girls keep the munchfest going. Eventually, Laura trembles and slowly disembarks from Jen's face.

Jen hugs both of them closely. "I love you," she gasps. Her two lovers frown. "Both of you," she quickly adds, only to realize that she just made things worse. Now she will have to reassure each of them privately that her feelings aren't in any way preferential.

Literally meaning "many loves," *polyamory* is loosely defined as having more than one emotionally based sexual relationship at a time. Most group-sex enthusiasts differentiate polyamory from swinging; swingers swap mates and hump like bunnies with no strings attached, whereas polyamorists have romantic feelings toward all of their sex partners. Polyamory also differs from adultery in that the former involves full disclosure to all, while the latter entails deceit.

Poly play comes in a multitude of forms. The most common polyamory permutation is two people who consider themselves primary partners, with one or both of the pair having at least one lover on the side. Many of these poly practitioners engage in "body-fluid monogamous" relationships, meaning they use condoms with everyone except their primary partners. Other polyamorists are more communal, shacking up in groups of three or more, or building elaborate networks of fuck friends.

Although guilt-free fucking with many partners may seem to be a dream come true, such collective fornication often stirs up jealous feelings, requiring skillful negotiations to keep any of the participants from becoming hurt.

"Jealousy is an issue even among people who really want the lifestyle," says Beth Firestein, a therapist in Loveland, Colorado. "Everyone should be clear about their true emotional needs and whether they're being met by the relationship."

"It's much harder when your secondary partner doesn't have a primary partner, because then they get dependent," says Cara Bruce, a polyamorist who lives in San Francisco, and editor of *Best Bisexual Women's Erotica*.

Simple logistics also present problems; scheduling time with several lovers can be a challenge, and all of the planning involved may sap some of the spontaneity out of the relationships.

Even so, plenty of people find these efforts worthwhile. According to Dossie Easton, who coauthored *The Ethical Slut* with one of her lovers, Catherine Liszt, polyamorists count at least 10% of the population among their ranks.

"A lot more people would be polyamorous if they knew it were possible," says Easton's coauthor Liszt, who lives in a polyamorous household. On the first floor she dwells with her primary partner of 12 years, Jay Wiseman, author of *SM 101*. Upstairs is another male-female couple who Liszt and Wiseman fool around with (though Wiseman only plays with the female). At one time, their dwelling housed seven sexually interconnected residents.

Instead of becoming lawfully wed, Liszt and Wiseman *(continued on page 64)*

"Polyamory is a magnifier," says porn veteran Nina Hartley. "It will either magnify the good stuff or the bad."

(continued from page 60) had their own rites and drafted contracts. "The woman who performed our commitment ceremony was a former slave of Jay's and a former sweetie of mine," says Liszt. Currently, Liszt and Wiseman each have a couple of partners who they see regularly and consider part of their family, even though they don't all live under the same roof or spend the night in Liszt and Wiseman's bed.

"With polyamory, you don't have to lie, which is easier," says Liszt. "Adultery is based on the belief that your partner wouldn't be able to tolerate the knowledge that you're having sex with someone else. The truth is, they often can."

"Sexual freedom flourishes with free people and, for people to be free, they have to have self-understanding," says porn star Nina Hartley, who is a veteran of the polyamorous lifestyle. "Once they get it together, then they'll attract compatible partners. The fruits of polyamory are very hard to cultivate and very sweet when you get them."

Still, Hartley recently ended a threeway relationship that had lasted 20 years. She became involved with a couple who claimed to have an open relationship. The entire trio ménaged approximately twice a week during the first year, and less frequently as time wore on. The two women never engaged in lesbian lovemaking without the presence of a man.

"Even when we all had sex together, Bobbi or I would return to another room to sleep," Hartley recalls. "Sleeping three to a bed is hard, unless you have three separate quilts."

After two years, the triad shacked up. Four years later, Hartley married the man strictly as a legal convenience. Now, Hartley's divorcing him. The guy is still involved with the other woman, but they are not planning to tie the knot.

Looking back, Hartley recognizes that the husband had stronger feelings for her than she had for him, and Bobbi was more into the husband than he was into her. Such problems are common among polyamorists. "Polyamory is a magnifier," says Hartley. "It will either magnify the good stuff or the bad."

"When several people are in a sexual relationship, there can be questions about favoritism," says New York-based psychologist Katherine Rachlin. "Communication and clarifying everyone's expectations go a very long way, along with making sure people are being nourished emotionally."

Rachlin also notes that group-sex clans are more likely to last if all parties initially become involved at the same time. "I know people who introduced their wives to their girlfriends, and then it became a ménage," says Rachlin. "But if it begins with mistrust and deceit, that's not a good foundation."

Many guys fantasize about being on screwing terms with two chicks simultaneously, but arranging a long-term threesome is often easier said than done. A horny lad hoping to convince his partner to open up to new possibilities is best advised to ease into the proposition. "Polyamorous issues could be broached during fantasy talk, and then it's a matter of asking to make it a reality," says John Brownson, a relationship therapist in Oakland, California. "If she says no, you might want to educate her and try asking later. Exploring polyamory is an experiment and, if it's not working, give yourselves the freedom to say the experiment didn't work. It should be mutually consensual and, if one partner doesn't want polyamory, it could be time for relationship counseling or moving on to a new partner altogether."

Raising children in a group-sex household can also cause difficulties. Unlike monogamous procreators, poly parents must be careful not to raise too many eyebrows. "Social services can take your children away with little reason," says Leonard Meehan, a/k/a Dr. Kink, who owns Studio Bound, a Las Vegas fetish-photography outfit. Meehan boasts an extended polyamorous circle that includes 23 members. Not surprisingly, he has many kids and grandchildren.

Although raised among sadomasochists, the son of one of Meehan's slaves became a born-again Christian who opposed his parents' lifestyle. As an adult, the son reported the S&M sex clan to the authorities. Police and social services showed up at the slave's house while both Mom and Pop were out spanking other people. After investigating the situation and finding that all five children were well taken care of, the officials left the group alone to its kinky ways.

Children living in polyamorous households are often persecuted by kids at school and others in the community, but *Ethical Slut* author Liszt believes that public awareness is the key to making polyamory acceptable. "Those of us who are living this lifestyle need to stand up and say, 'I love more than one person. It works, and I'm not harming anybody.'"

"Roger, sweetie—we have to give the anal fisting a rest."

Censorship: Harmful to Minors

In 1996, the New York State Liquor Authority rejected an application of Bad Frog Brewery for permission to market its designer beer because the bottle's label featured a frog giving the one-finger salute. The Liquor Authority argued that an image of an amphibian "flipping the bird" could have "adverse effects" on children, and that the state had a compelling interest in "protecting children from vulgar and profane advertising."

The Liquor Authority never explained what "adverse effects" might occur as a result of a child seeing a drawing of a frog with its middle finger extended, or how juvenile perception factored at all into a product whose legal use is restricted to adults. Perhaps they feared mass rampages of kids getting loaded and fornicating with frogs.

Although an appeals court eventually ruled in favor of Bad Frog Brewery, the Liquor Authority's initial censorship is but one example of how self-appointed guardians of public morality hide behind their supposed concern for kids in order to enforce their personal vision of what is correct in society. In their own way, they are exploiting innocent youths.

The rallying cry of "We must protect the children!" has been used as a justification for stifling artistic expression since ancient Greece, but its underlying assumption—that children who are exposed to explicit material will grow up to be warped degenerates—has been disproved as often as it's been invoked. Hard-core pornography may not be the best choice in reading material for youngsters, but the notion that so-called dirty pictures turn kids into reprobates and sex criminals contradicts the vast majority of available, valid research.

Studies indicate that sex offenders are less likely to have been exposed to sexually explicit material than law-abiding, control-group subjects.

Far from being a harbinger of deviance, early interest in sexuality is healthy and normal. Recent research from Sweden found that 88% of preteens surveyed engage in solo masturbation or collaborative sexual acts.

"We have to acknowledge that children have sexual behaviors that are perfectly developmentally normal, and we need to know this so we don't overreact or underreact," states IngBeth Larsson, of the Division of Child and Adolescent Psychiatry at Linköping University in Sweden and author of the report *Child Sexuality and Sexual Behavior*.

The International Journal of Law and Psychiatry and the Society for the Scientific Study of Sexuality, among others, have reported studies indicating that sex offenders are less likely to have been exposed to sexually explicit material than law-abiding, control-group subjects. Sex criminals' initial exposure to sexual material has been shown to come at an older age than "normal" males, and such offenders are more likely to have been brought up in conservative, religious households than their non-deviant counterparts.

A study by the Canadian Department of Justice concluded, "There is no systematic research evidence available which suggests a causal relationship between pornography and the morality of Canadian society...[and none] which suggests that increases in specific forms of deviant behavior...are causally related to pornography."

Despite a lack of evidence, protecting impressionable children from "harmful" material is the basis of much of our nation's obscenity legislation, and is being applied with increasing hysteria to contemporary forms of expression, from fine art to the Internet. The legal and social history of using such arguments to impose censorship is detailed in Marjorie Heins's recently published book, *Not in Front of the Children: "Indecency," Censorship and the Innocence of Youth*. Heins is the director of the Free Expression Policy Project at the National Coalition Against Censorship. An attorney, she worked for the American Civil Liberties Union in the '90s, where she helped shoot down the federal government's flawed Communications Decency Act. Her book questions whether lowering our nation's discourse to a third-grade level ultimately does America more harm than good.

"When you're talking about imposing criminal penalties and other coercive measures on the distribution of expression, you need to have more of a basis than someone thinking something is inappropriate or unacceptable," says Heins from her New York office. "You have to show harm, and that hasn't been done. We need to stop confusing what society says is inappropriate with what it says is harmful."

Censorship: Harmful to Minors

Studying the effects of sexual media content on children is particularly problematic. Exposing minors to explicit material is illegal in America, even in a laboratory setting. "Most of the research has not been done with children," admits Stan Weed, the director of the conservative Institute for Research and Evaluation in Salt Lake City. "In fact, nearly all of it has been done with adults."

Absent hard evidence, the forces of repression rely heavily on the emotional appeal of protecting innocence. Mixing sex and kids is a surefire way to panic parents and convince legislators to pass Draconian measures. The alarmist words of Jack Samad, of the National Coalition for the Protection of Children and Families, are a perfect example: "If an eight-year-old happens to visit watersports.com, and sees a lady urinating in the mouth of a man, I'm not sure how that young person can interpret whether that's normal."

Free-expression advocates contend that establishing boundaries of normal behavior is better left to family members. "I have a couple of children myself—ages ten and five—and there are a lot of things I don't want them to see, but I don't believe the government is in a good position to dictate what people can or cannot see," counters Lee Tien, a First Amendment attorney for the Electronic Frontier Foundation. "I believe that this is very much a parental decision. Pay attention to what your kids are doing. Talk to them about what's going on on the Web. Engage them."

"What this really is about," says author Heins, "is mainstream society transmitting concepts of what is considered to be correct sexual behavior—that it's in the context of marriage or a relationship, monogamous, not simply for pleasure."

"Sexual activity outside of the context of marriage is likely to have harmful psychological and physical effects," asserts the law, which provides no substantiation for this ludicrous assertion.

In an attempt to encode private morality into public law, some legislators not only want to keep pornography away from children, they seek to limit sexual education as well. The pious busybodies' answer to common-sense sex education—which is supported by 85% of Americans—is abstinence-only curricula. The massive welfare-reform legislation passed in 1996 offers $50 million in funding every year for state sex-ed programs to promote the idea that "a mutually faithful, monogamous relationship in the context of marriage is the expected standard of human sexual activity." In other words, states are bribed to keep information regarding contraception, sexual orientation and sexually transmitted diseases from children, all in the interest of promoting premarital celibacy.

"Sexual activity outside of the context of marriage is likely to have harmful psychological and physical effects," asserts the law, which provides no substantiation for this ludicrous assertion.

"The myth is that the more information kids know about sex, the more they'll do it but, in studies of unwed mothers, it's actually the opposite," says Dr. Robert Butterworth, a Los Angeles psychologist who specializes in issues related to children and adolescents. "The kids who are getting in more trouble with sex and having illegitimate births are the ones who know the least. So ignorance does not breed abstinence."

While stiflers of free expression use sneaky methods to gut sex-education programs, they proudly attempt to censor the Internet out in the open. The Child Online Protection Act (COPA), a piece of legislation that is currently before the U.S. Supreme Court for review, would provide "protection" not only to children, but to all Internet users, whether they want it or not.

If the Supreme Court upholds COPA, anyone who wants to access material deemed harmful to children—pictures, sounds or even words—would have to offer proof that he or she is not a minor. Since age-verification on the Web most often takes the form of providing credit-card information, the Act raises serious privacy and financial concerns.

"People rely on affordability, accessibility and anonymity when surfing the Web," says Dr. Mitchell S. Tepper, the founder and president of the Sexual Health Network, which supplies sexual information for disabled persons and is a co-plaintiff in the COPA case. "Anonymity is especially important for people seeking help with very personal and sensitive, sexual health-related questions. Adult-verification mechanisms would be a serious barrier to access[ing] sexual content across the Web."

COPA would also *(continued on page 112)*

The Little Rascals were in school one day when Mrs. Crabtree said, "Today, class, we're going to have a spelling bee. Alfalfa, spell *dictionary* and then use it in a sentence to earn a point."

Alfalfa stood up and proudly declared, "Dictionary, d-i-c-t-i-o-n-a-r-y. If I don't know what a word means, I look it up in the dictionary."

"Very good," Mrs. Crabtree commended. "Now Buckwheat, spell *dictate* and use it in a sentence."

Smiling, Buckwheat said, "Dictate, d-i-c-t-a-t-e. Darla, how my dictate las' night?"

Question: How are women like rocks?

Answer: You skip the flat ones.

A stunningly fat woman went into a shop and bought a new bikini. The next day she came back, demanding to return the bikini top and get half her money refunded.

"But you need the top too," the clerk protested.

"No, I don't," she snapped. "I can fit everything into the bottom."

The HUSTLER Dictionary defines *obscenity* as: anything you like.

A Polack and his wife were sleeping in one morning after the man had decided to skip work that day. The phone rang, and the husband answered. After a few seconds he groggily snapped, "How the hell should I know? We're 200 miles from the fucking ocean!"

His wife rolled over and asked, "Who was that?"

"I don't know," the husband grumbled. "Some stupid jackass who wanted to know if the coast was clear."

A blonde called her boyfriend and begged, "Please come over and help me. I have this killer jigsaw puzzle, and I can't figure out how to get it started."

"What's it supposed to be when it's done?" he asked.

"According to the picture on the box, a big tiger," she enthused.

When her beau arrived, the golden-haired doll showed him the puzzle spread out all over the table. He studied the pieces for a moment, looked at the box, then turned to her and said, "First of all, no matter what we do, we'll never be able to assemble these pieces into anything resembling a tiger. Second, I'd advise you to relax, have a glass of wine, then put all these Frosted Flakes back in the box."

A filthy, wheezing bum asked a passing man for $5.

"Will you buy booze with the money?" the man asked.

"Nope," the hobo promised.

"Will you gamble it away?" the passerby inquired.

"*Uh-uh*," the beggar shook his head.

"Will you wager it on football games?" the man demanded.

"No," the bum replied, "I don't even watch football."

"Okay," the man said, "I'll give you $5, but only if you come home with me so that my wife can see what happens to a man who doesn't drink, gamble or watch football."

Question: What's the best thing about dating an anorexic chick?

Answer: Every day you see less and less of the bitch.

A Palestinian family wanted to get ahead in life and came to the decision that they would have to convert to Judaism to do so. They went to a rabbi and asked about the conversion process. The rabbi said, "There is an easy way and a hard way. The easy way is to go to yeshiva and study morning, noon and night for years and years."

"So what is the hard way?" the father wondered.

"I'll show you," the rabbi said.

He took the family to a minefield at the edge of town and said, "If you cross this, you will have proven your determination, and I will convert you on the spot."

The father went first. Miraculously, he made it across the field unharmed. Next, his wife also crossed safely. The rabbi joyfully converted them immediately.

Then the children went. As they crept over the rubble, an explosion blasted them into oblivion.

"Oh, my God," the rabbi wept. "What a tragedy!"

The parents turned to the sobbing cleric and said, "Who gives a shit? They were just Arabs."

THE HOUSE THAT FLYNT BUILT

FROM A SHARECROPPER'S SHACK TO A SKYSCRAPER OF SKIN

Q AND A WITH **DAN KAPELOVITZ**

With its recent expansion into the video, men's club and retail markets, **the HUSTLER empire** has spread everywhere but to the War on Terror's front lines—and a lawsuit is changing that. Publisher **Larry Flynt** discusses **past controversies and current successes.** ›

HUSTLER: The First 28 Years

Larry Flynt has parlayed a single strip-club newsletter into a worldwide media empire. More importantly, as would-be Speaker of the House Bob Livingston and other Washington hypocrites have learned, Flynt has become a factor on the political landscape that cannot be dismissed.

As he looks back on 28 years of spreading legs and closing deals, the porn king speaks candidly about pussy, politicians and his current lawsuit against the Pentagon over the right to send correspondents to the front lines of the War on Terror.

* * *

HUSTLER: What is the government afraid you would find if the Pentagon allowed HUSTLER reporters to go on military missions?

FLYNT: We all know, when the government makes a mistake, they cover it up; so that's the primary reason why the government doesn't want the press in their hair. Any time people are sending their sons to fight and possibly die for their country, they deserve the right for the war to be documented by a fair and unbiased press, and that's the whole issue. When you exclude the press, you really deprive people of their liberties. Bush has found himself in a unique, opportunistic position in that people are willing to give up their liberties for security. Benjamin Franklin said that those willing to give up their liberties for security deserve neither. Many of the modern-day politicians should take a page out of Ben Franklin's book.

"Times have changed in the past 30 years, and Americans now feel that they have a right to view whatever they want in the privacy of their own homes."

HUSTLER: Has the Bush Administration had an effect on the content found in LFP magazines and videos?

FLYNT: No. But as soon as John Ashcroft is through fighting the war, they'll probably focus on porn. Prosecutors can have all of the fantasies they want to about prosecuting an obscenity case, but they need the consensus of 12 jurors in order to get a conviction. Times have changed in the past 30 years, and Americans now feel that they have a right to view whatever they want in the privacy of their own homes.

Ashcroft covered up the breast of the Spirit of Justice statue that stands behind him in press conferences. Can you imagine the hang-ups that guy's got when it comes to prosecuting porn?

HUSTLER: Why did it take LFP so long to start producing videos?

BIG MAMS ON CAMPUS

Behind the Scenes at HUSTLER Video's Real College Girls 3

"Suck zee dick," commands Bob Sima in a thick, French accent that echoes off the walls of a large photography studio in downtown Los Angeles. "Spread zee legs."

Maria, an English girl with long, dirty-blond hair who's wearing nothing but white ankle socks and a light-brown patch of pubes shaved into a mohawk, follows Sima's direction. Darren James and Sledge Hammer, two African-American woodsmen with buzz cuts and huge cocks, double-team the British babe. Maria's mouth engulfs James's dark meat, and her thighs open wide for Sledge Hammer's ebony mallet.

Holding a digital video camera in one hand and smoking a cigarette with the other, Sima is shooting the third installment of his Real College Girls series, a recent addition to HUSTLER Video's thriving line of live-action smut. Since its inception in 1998, HUSTLER Video has spawned numerous popular series, including BARELY LEGAL, Jail Babes, HUSTLER XXX and Young Sluts, Inc.

The chicks of Real College Girls are all actually enrolled in places of higher education. Before every sex scene, the viewer is introduced to the coed at her college, where she explains how she answered an ad promising $1,000 for a day's work. After being asked if she's ready to suck and fuck a couple of strangers, the soon-to-be-violated pupil shows her authentic college ID to the camera. Theoretically, a college gal is brighter than the average porn slut. In reality, matriculation does not necessarily indicate higher intelligence. Maria attends East L.A. Community College, which doesn't require a high-school diploma or even a GED as a prerequisite for enrollment. For a mere $11, the price of one semester credit, any girl can become a real college girl and a veritable video hussy.

"Let's do doggy," says Sima. Never releasing the cock from her mouth, Maria turns around and bends over, allowing Sledge Hammer to pound her from behind. "Show some pussy, you little slut," directs Sima. "Turn your face toward the camera."

Maria directs her gaze toward the lens while awkwardly continuing to suck cock. With her left hand, the blonde spreads her Tasmanian Devil-tattooed ass cheek to better expose her cunt.

Sima calls for the D.P. scene. After a few minutes of trial and error, Maria and her two co-stars determine the best configuration. Maria straddles Sledge Hammer, taking his cock deep in her twat, while James bones her up the ass from behind.

"Spit on my ass," pleads Maria. The two bucks rhythmically pump her from both directions as the horny student groans. While many college girls use the freedom of the campus experience to first explore their sexuality, Maria seems no stranger to interracial double penetration. James pulls his dick out of the carnal prodigy's anus and sticks the dirty phallus into the collegian's mouth.

"Good little whore," encourages Sima. Maria laughs.

"See, people always with a smile on their face," says Sima. "Pornography makes people happy." Which is as valuable a lesson as any.

FLYNT: Really, stupidity on my part. Every time I would think about getting into video, I would talk to some of the people in the industry, and they would say, "Stay away from it; the profits aren't there. It's too difficult. Stick to publishing; you know what you're doing." And so I was sort of put to rest on that issue, but I always felt that the HUSTLER brand name translated into some value; I did not know what. When we opened HUSTLER Hollywood—the most successful erotic boutique in the country—we saw that people wanted a T-shirt with HUSTLER on it, a jacket with HUSTLER on it. That experience made me say, "I think this desire for the HUSTLER brand will also translate to video." So we got into video three years ago. We're the second-largest video company in the country now, and we're in the process of making an acquisition here in Los Angeles that would make us the largest video producer and distributor in the country.

HUSTLER: The First 28 Years

HUSTLER: Would you ever appear in a boy/girl HUSTLER photo-set?

FLYNT: Who would want to see my skinny ass?

HUSTLER: Can you judge a woman's pussy by looking at her face?

FLYNT: I can. Not many people can, but I can tell exactly what a woman's pussy looks like by looking at her mouth. A woman that has thin lips, chances are she's not going to have thick, puffy labia; her lips are going to be thin on her pussy as well. If a girl has a very succulent mouth and is very lippy, I always find that her pussy is the same way.

HUSTLER: Can you also determine something about a woman's personality by looking at her vagina? For instance, can you tell if she's going to be a hot fuck, or if she's going to be dishonest?

FLYNT: I can usually tell more readily than most people can. It's something that's sort of like a sixth sense; you either have a knack for it or you haven't.

BAY AREA BABBLING

The HUSTLER Club Opens in San Francisco; Feminists' Mouths Follow

In late February, San Francisco Mayor Willie Brown, famed filmmaker Francis Ford Coppola and hundreds of others celebrated the grand opening of HUSTLER's newest men's club, which follows the 2001 premiere of New Orleans's HUSTLER Club. (Plans are underway to build more venues nationwide.) Meanwhile, a small group of protesters gathered outside of the new San Francisco establishment to celebrate their own ignorance.

A few days prior to the festivities, the San Francisco Examiner ran a sensationalist article detailing the minor controversy that resulted from an ad for the club. The ad, which featured the same youthful but entirely legal models who graced the May 2002 HUSTLER cover, led some local feminists to allege that Larry Flynt is a "pseudo-child pornographer." Encouraged by the Examiner's piece, pseudo-intellectual Diana Russell, author of Against Pornography: The Evidence of Harm, sent a flurry of e-mails to fellow anti-Flynt sympathizers, urging them to rally against the club. Only three like-minded morons answered Russell's call to protest in front of the establishment.

Despite the small turnout, Russell led her meager cadre of feminists with signs and a prepared speech, spewing such idiotic gems as, "How I wish that Flynt's would-be murderer had been a better shot" and "[Flynt] has caused a lot more terroristic violence against women and girls than Osama bin Laden has." Russell failed to explain how her endorsement of attempted murder jibes with

HUSTLER: Besides fucking a chicken, what is the wildest thing you have ever done sexually?

FLYNT: Isn't that wild enough? When I was a 17-year-old sailor in the Navy in Cannes, France, I went ashore to a brothel. By myself, I took 20 women, and I had myself a private little orgy. My back went out on me, and my friends had to help me back to the ship that night.

HUSTLER: How did you get the money for 20 chicks?

FLYNT: I won it in a poker game.

HUSTLER: Looking back on your career,

SMEAR FACTOR: JOE ROGAN ON WHAT'S WHAT IN SMUT

In an attempt to siphon viewers from Fox's Super Bowl XXXVI's halftime show, NBC aired a "*Playboy* Playmate" edition of its reality-television series *Fear Factor*. The show's host, Joe Rogan, was less of a suck-up during this exclusive HUSTLER interview, in which he reviews the leading porn periodicals and reveals his true feelings for *Playboy* and its Playmates.

Playboy

Playboy, to me, is fucking retarded. I don't like mixing pornography with real articles. If you give me a big exposé on the government and right next to it is tits and ass, I just can't focus. They're not good articles anyway. The interviews are sometimes interesting; people will say something in Playboy that they wouldn't say in other magazines. "Turn-ons and turn-offs"—dude, I don't even care if she can talk. Do you think I care what movie she likes? I've met a bunch of the girls in Playboy; that's the problem. Chicks are not hotter in Playboy; they are all these bleached blondes. The seven girlfriends of Hef are all stupid-looking. Look deep in their eyes, you see the back of their skulls. I think it's funny that he's the one pornographer that everyone thinks is acceptable—the women don't show their vaginas; so he's a good guy.

Penthouse

Penthouse has technology ads, talking about palm pilots, digital cameras and scanners and, right next to it, dick enlargement. Where else does that happen? The articles are usually goofy. Pretty good photos—full penetration, loads, everything. Good paper quality. This chick with a rubber dildo is dressed like some hooker from the '40s. All I can think of is old, old pussy—I can't jack off to her; that's my grandma. I am not into that black-and-white bullshit. We have new technology now; it's called color photography. What are they trying to be, arty? The other thing that freaks me out about Penthouse is the way everything is so soft. It's like she's covered in a fine powder—her hair, her clothes. I hate that shit. That's what I love about HUSTLER—crystal-clear, lubricated, in-focus vaginas. No bullshit.

HUSTLER

This is real porn; there's no airbrush, there's no bullshit, no frosted look, no glamour pics. That's porn, dude. This is a guy's magazine. This is real porn when you're not pretending you're not looking for porn. "I want some fucking porn; I want to whack off. I want to get this shit over with." Every chick, even if she's by herself, has to have at least two fingers in her. HUSTLER always has the most fucked-up cartoons. HUSTLER cartoons are like, "Oh, Jesus" cartoons. You read it, and you say, "Oh, Jesus!" But you have to show other people because they're so fucked-up.

Cheri

A lot of porn stars. Mediocre lesbians. This one kind of sucks. The pictures are bad quality, which leads me to believe one of two things: Either these girls are not very good-looking, or the guy who's taking the pictures is an idiot. Either way, it's not good. This girl's really pretty; why can't you see what she really looks like instead of this glossed-over look?

High Society

Mediocre women. Lesbian scene. Dildo. Ugly, ugly girls. Really heinous women. The further you get down the food chain, the nastier the chicks sending the pictures are. High Society, it's at least three levels below HUSTLER. Look at these girls; they're just heinous. I mean, they're ugly in their town; they're not just ugly in Hollywood and the world. This girl from Victorville, Connecticut, she's a pig in Victorville. This other chick's cute; she could have held out and got in HUSTLER. You fucked up, baby.

Gallery

These suck too, man. Everything's just washed over; I don't get that. It looks like you're looking at it through a filter or something. Here's their "Girl Next Door." Ooh, tell me where she lives, because I'm not moving there. I swear to God, some of them you can smell right through the picture. They smell like cheap beer and cigarettes. This magazine sucks.

Swank

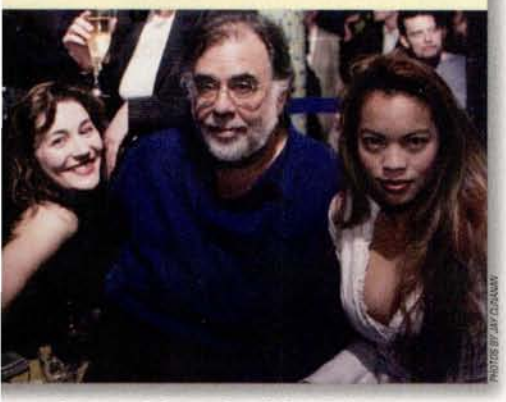
This is pretty weak. The girls seem a little wrecked. The photographic quality of this one just doesn't seem that good. The gals seem very uninspired, the camera angles very unoriginal. Swank gets a big thumbs down. It will work in a pinch. Look at this chick; she lifts her tits out, and she still has the tape on from where she had the implant surgery. That's how fresh her implants are—she has fucking Band-Aids on them. That's insane. Oh, these are the fluffers. These poor girls are too ugly to be porn stars; so they suck the dicks before they get to the porn stars. That's so depressing.

her antiviolence crusade.

"I hear we've got a few protesters outside," said Flynt at a press conference held inside the lavish club. "That means we are doing something right.

"They're just upset because, after 30 years, they still have to sleep on the wet spot," Flynt quipped to raucous applause.

Feisty blond HUSTLER Club dancer Nikita voiced a similar sentiment: "Feminists need to suck it."



PHOTOS BY JAY DUSARD

what would you do differently?

FLYNT: I can tell you what got me in the most trouble, and it's the only thing that ever appeared in HUSTLER that, if I were given the opportunity to do it again, I wouldn't publish. When Ford was President, Betty Ford had a double mastectomy, and it was Christmastime, and we ran a full-page cartoon of a silhouette of a woman standing there in the White House saying, "All I want for Christmas is my two front tits." We got so much mail, and not one positive letter. Everybody was talking about how uncouth and insensitive it was. I felt that the cartoon was really over the top, we should have toned it down, but it had already been done. But no one argued the point with me until we published it, and I really wasn't thinking of the reaction or the consequences, and I even lost my own mother to breast cancer.

I can't think of anything else. That's saying a lot, for all the years we've been publishing, not to have any regrets except maybe one cartoon. That's a pretty good record.

HUSTLER: If you were President, how would you have handled September 11?

FLYNT: Not much differently than Bush has. I think he deserves high marks for the way he's waged the war. But remember, we investigated Bush for years before he was President. We know a lot of things about him that other people don't know. He is a right-wing fascist and a bigot. He was born into oil, he's still into oil, and the small businessman or the average worker has no place in Bush's circle. What's eventually going to do him in is the economy. In the end, people vote their pocketbooks—the only exception was the last Presidential race, which I think Gore won, quite frankly, but they made such an issue out of Clinton doing a very human thing and telling a lie about it. Bush was able to skate in there. His house better be in order both economically and as far as his foreign policy goes by the time the next election rolls around, or he won't be reelected.

HUSTLER: What do you think of CNN censoring your remarks about your investigation into Bush's past from its official transcript of the interview [*Crossfire*, October 20, 2000]?

"We investigated Bush for years before he was President. We know a lot of things about him that other people don't know. He is a right-wing fascist and a bigot."

FLYNT: I make the press really skittish, because they can't dismiss me as a flake. They had to take me seriously when I won the unanimous decision in 1988 against Jerry Falwell and made parody protected speech. They had to take me seriously in the DeLorean cocaine-trafficking case, when I went to prison for 15 months for refusing to reveal my source. They had to take me seriously when we exposed Bob Livingston, Speaker-elect of the House. We had the goods and, if we had not, they would have stepped on us like a bug. We've always survived with our credibility intact. You may not like what we do or say, but we're gonna do it, and we're gonna say it.

HUSTLER: If HUSTLER were to do an Asshole of the 20th Century, who would it be?

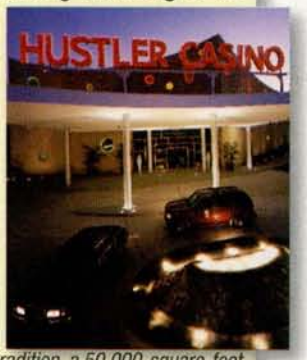
FLYNT: You've got to single out the person who poses the most danger to our civil liberties and our civil rights, and that person is John Ashcroft. I think that when Bush uses the word *evil*, he should occasionally look over at Ashcroft, because this guy is evil personified. He's extremely dangerous.

HUSTLER: What are you most proud of in HUSTLER's 28 years?

FLYNT: We have never, ever compromised. HUSTLER is a wild card because we make our money on newsstand price and not advertising revenue; so the advertisers have no control over us, and the government has no control over us.

ROYAL FLESH: BETS AND BUTTS AT THE HUSTLER CASINO

Larry Flynt is a gambler by nature, with many of his lucrative ventures owing something to the gods of luck. A card fanatic, Flynt's desire for a poker palace close to home led him to build his own casino, which opened its doors in June 2000.



Located in Gardena, California, a city nestled on the outskirts of Los Angeles, the HUSTLER Casino is, in accordance with its creator's grand tradition, a 50,000-square-foot gaming emporium that hosts a variety of poker games, restaurants and luxuries.

Always one to fuse sex with everything he touches, Flynt created the annual Miss HUSTLER Lingerie Contest, which takes place upstairs from the casino at the HUSTLER Casino Sports Bar. The competition, which holds three preliminary rounds and the finals over a four-week period, furnishes the casino's gaming enthusiasts with a break from the card tables and enables HUSTLER's Talent Coordinator to scout for fresh faces—and other body parts—to grace Flynt's many magazines and videos.

Each week, ten hopeful beauties dolled up in their sexiest lingerie show off their goods for a chance to advance to the finals, where the contestants can win up to $2,500 and the opportunity to be a casino spokesmodel or appear nude in the pages of HUSTLER. For the contest's inaugural run, the guest judges included Larry Flynt, his wife, Liz, and former Harlem Globetrotter Ron "Teddy Bear" Knight.

Also in attendance for the tournament's first round were actor Chris Penn and Poison guitarist C. C. Deville. Deville was asked to be a celebrity judge, but had to recuse himself from the panel after disclosing that he had slept with one of the contestants.

The first night's winner was a large-chested brunette named Tara who, along with three runners-up, will advance to the finals. We're betting the competition—and the spectators—will be stiff.

Clinically-Tested, Women-Approved 100% Natural Longitude Capsules- The ONLY Penis Enlargement Capsules That Really Work.

The Original LONGITUDE PENIS ENLARGEMENT CAPSULES: Over 100,000 Bottles Sold Every Month

When it comes to Penis Enlargement, you have several options, but only one answer... The Original Longitude Penis Enlargement Capsules, Here's Why:

Longitude VS. Pumps and Weights

The first thing that comes to mind when I think of Penis Pumps, is that Austin Powers movie. I mean really... what would you do if your lover stumbled upon your pump? How embarrassed would you be?

Not to take anything away from pumps- some men do say they work, but I've also heard that it is painful to have your penis being sucked down a clear plastic tube. And remember, every time you use it, you have to spend time cleaning it.

Pumps can cost up to $150 or more, and as you can imagine, the more you spend, the better your results. But I still think you can do better with Longitude.

And what about Hanging-Weights... OUCH! If you think strapping a few pounds of metal around your penis is fun, count me out. Not only is it painful, it's STUPID, you can do a ton of damage to your penile ligaments. Don't be surprised when you get giant, nasty bruises on your penis that are so painful, you won't even be able to get an erection. Pass on the pumps and weights.

Longitude VS. Invasive Surgery

Ever since hearing about what happened to my college buddy Marcus, I advise everyone I care about to stay away from penis surgery.

Marcus wasn't happy with the size of his penis, so he had an operation with hopes of being "gorilla-sized". But today, his King-Kong dream is a shriveled-up nightmare.

First of all, his penis is so ugly, it looks like a football. And secondly, he lost total sensation in his penis and is not able to get an erection no matter how hard he tries.

He ruined his life. His girlfriend left him, and he is unable to keep new women because of his problem. And just the sight of his penis is enough to make you have newfound love for your penis, even if it is 4-inches long.

Lets pretend Marcus's surgery went well... it still cost several thousands of dollars, he had to go to the hospital and take off work. And just the thought of someone going near my johnson with a knife is enough to turn my stomach.

Longitude VS. Knockoff Pill Scams

As with any great product, greedy scam-artists will knock it off.

Longitude has documented growth of up to 3-inches. Some of our knockoffs go as far as copying our ads almost word-for-word, then simply inflate our claims of 3-inches to 5 or 6 inches. Is their scam pill really going to DOUBLE the size of your penis? I don't think so. They'll say anything to fool you.

A copycat product will never perform as well as the original. Longitude capsules are formulated in our 47,000 sq. ft. lab that is one of only 20 in the US that has been approved by the NNFA (National Nutritional Food Association) to comply with rigorous GMP standards. (Good Manufacturing Practices). This ensures your capsules will never contain rodent feces, crushed roaches, or things even worse.

Who knows where and how other's capsules are being created? *In a garage?* Knockoffs haven't been known to worry much about quality control. Sure, you may be able to save a few dollars purchasing a fake... but remember, you have to swallow it!

Plus, we employ over 100 Nutritional Experts to answer any of your questions. With these knockoffs, you're lucky to get a live operator, let alone someone who knows anything about nutrition. Save yourself time and get the results you're after, buy the real thing.

It's your choice... Pumps... Weights... Surgery... Knockoff Scams... or the Original Longitude Capsules... Read my ad on the next 3 pages and call us. Longitude is the only product that will make your penis so long, you won't believe its yours- GUARANTEED by over 1 Million Men every year!

67% of Women Say They're *UNHAPPY* With The Size Of Their Lover's Penis...

Muscles, Money, and Looks help, but women want a "bigger" man.

The Average Penis Size Is Just 6 Inches... But Who Wants To Be "Just Average"?

Herbal Science Breakthrough!

World-Famous Pharmacist Creates *Revolutionary* Herbal Pill That Is Guaranteed To Increase Your Penis Size By 1"... 2"... 3"... or more in just a few short weeks! *(with absolutely no adverse side-effects)*

Dear Fellow Man...

What I'm about to tell you is absolutely true. If you believe me, you will be greatly rewarded for the rest of your life. If you don't believe me... I'll make it worth your while to change your mind. Let me explain.

I'm the President of what I believe is, the most advanced Herbal Nutrition Company in the United States. Over the past few years, my company created some incredible, breakthrough products... but this one has been our most successful by far!

Our latest and most *controversial* product is called LONGitude and by simply taking 2 LONGitude capsules every day... it will make your penis grow in both length and thickness by a whopping 26%.

Sounds impossible? Of course it does... but 96% of the men who try LONGitude have great success, growing 1"... 2"... 3"... and more. I myself gained 2 1/8" in just 8 short weeks on LONGitude. I am extremely pleased with this product's performance.

I'm a single guy... so I do date quite often and let me tell you man-to-man... NOTHING, and I mean NOTHING beats the look on my lover's face as she sees it for the first time... watching her gasp... almost in disbelief... with a slight look of fear in her eyes. I can't describe how confident a bigger penis makes me feel!

You Don't Believe Me... Right?

I don't blame you for being skeptical of LONGitude... hell, even when my research team told me they had finally got it right after 3 years of research and testing, I didn't believe it. That's why I tried LONGitude personally.

Let Me Explain How LONGitude Works... It'll Help Convince You...

Your penis has three chambers... 2 large ones on top which are your erectile tissue and one smaller one on the bottom which you urinate and ejaculate from. And...

(next page please...)

When you get an erection, your brain releases a hormone which sends blood to your penis, filling your erectile tissue. The blood cavities in your erectile tissue fill to the maximum, giving you an erection.

Here's What You Can Expect To Happen Taking LONGitude:

Week 1-3:	Your penis will experience greater and longer lasting erections and a noticeable increase in thickness.
Week 4-8:	Your penis will have grown in length and will possess much more thickness in both- erect and flaccid states.
Week 9+:	Your penis will have taken on a new body, not just longer and thicker, but much harder and healthier.

Now get this... the maximum your erectile tissue can fill with blood creates the size your erect penis presently is. But here's the breakthrough we've discovered... Your erectile tissue can be developed much larger and stronger than it is with our product LONGitude.

Simply put... your penis is EXTREMELY unfit and smaller than what it could be if your erectile tissue chambers were larger (holding more blood). LONGitude will go to work on these chambers - increasing their size in both length and width... to hold more blood... getting you a few extra inches you wish you were born with.

After just a few days on LONGitude, you will start to see and feel much difference in the way your penis hangs and feels when erect.

LONGitude will also promote increased sensitivity... getting you more "feelings" during intercourse, enabling you to achieve ROCK HARD erections ANY time you desire.

LONGitude will give you a more muscular look, surely standing apart from other penis... A penis your lover will remember for the rest of her life!

100% Natural & Safe LONGitude Will:

- ***Strengthen and harden your erections like a length of STEEL PIPE!***
- Develop your PC Muscle to form a truly "muscular" looking penis that will impress and arouse your lover. I guarantee they'll brag to their friends.
- ***Enlarge your penis 1-4" or more AT HOME, without vacuum pumps, weights, or surgery.***
- Intensify your orgasms.
- ***Achieve more powerful thrusting ability.***
- Last as long as you want without drugs.
- ***Achieve ROCK HARD erections any time you want... your lover won't believe it!***
- Safely and Permanently enhance your penis size, strength, and ability without expensive and dangerous pumps, weights, drugs, or surgery.
- ***And much, much more!***

When you feel you are at your peak performance level in penis size and mass... you'll have a new found confidence... knowing you can please any woman more than any other man could - no matter how hard he tried!

It's pretty simple to understand... the size of your erectile tissue chambers is what limits your penis to the size it is now. LONGitude painlessly makes these chambers longer and wider, holding more blood... making your penis several inches longer.

90% Of Men Have A 6" Penis... That's The Average Size LONGitude is made for men that are NOT HAPPY WITH AVERAGE!

You don't want to make an average income... live in an average home... drive an average car... why settle for an average penis... especially since it is inexpensive and safe to have some serious machinery between your legs.

Try LONGitude without risk... here's how:

A One-Month supply of LONGitude (60 capsules) costs just $59.95 plus shipping. Get yourself a bottle right now by calling 1-800-518-3492 with your credit card, 24 hours a day - 7 days a week. LONGitude risk-free for one month

PS: In a recent survey conducted by Durex Condoms, 67% of women said that they are unhappy with the size of their lover's penis. Proof that size does matter! A larger penis has much more surface area and is capable of stimulating more nerve endings, providing more pleasure for you and your partner. A man endowed with a 7" or 8" penis is simply better *"equipped"* than a man with a 5" or 6" penis. Would you rather have more than enough to get the job done... or fall short. It's totally up to you.

PPS: A special bonus if you are one of the first 250 men to try LONGitude risk-free... You'll receive FREE membership into our Preferred Customer Club where you'll receive a $20 discount off every future bottle of LONGitude. In addition, so you do not go a day without our capsules, you'll automatically receive a new 30-day supply every month and we'll bill you just $39.95, plus shipping - that's $20 OFF the retail price. Trust me- after a week on LONGitude you will not want to live a day without this product until you reach your optimum length. Once you reach your optimum length in about 3 months, call us and we'll stop sending automatic shipments. There is no minimum amount of bottles to buy and you can cancel shipments at any time. And if you take us up on our 30-day money back guarantee, your credit card will never be billed again.

PPPS: This breakthrough product will make your penis grow, and grow until you decide it's the perfect size. When it reaches it's optimum size, stop taking LONGitude. You do not have to take LONGitude ever again- the results are permanent. Most users stop taking LONGitude once they reached 8" to 9" (about 12 weeks). It is not advised to go past the 9" limit for the simple fact that you'll be too big for many women.

Here's Some Of The Most Common Questions New Users Have:

What Is LONGitude?
LONGitude is a 100% safe and natural formula that is guaranteed to increase penis size by an average of 26%.

How Does LONGitude Work?
LONGitude permanently enlarges your two erectile tissue chambers in your penis to hold more blood during an erection... thus, making your penis much, much larger in size.

Are Their Any Negative Side-Effects?
Absolutely zero. A positive side-effect is that you'll be more sensitive, enjoying intercourse more.

How Do I Take LONGitude?
Simply take 2 easy to swallow capsules every day.

How Long Can I Expect My Penis To Get?
Measure yourself during full erection and add 26% - that is the average size increase. LONGitude will continue to work the longer you use it.

How Long Will It Take To Work?
LONGitude will start working instantly, making your penis thicker and erect more often. Length growth starts a few weeks later and the total process usually takes 12 weeks.

How Long Should I Take LONGitude?
Take it until you get to 8" or 9". After you get to this size, we advise you stop taking it. Any longer of a penis would be too large for most women to handle.

What Are The Ingredients of LONGitude?
LONGitude is a proprietary blend of the following 100% safe and natural ingredients: Zinc, 300 Yohimbe, Maca, Catuaba, Muira Pauma, Oyster Meat, L-Arginne, Oat Straw, Nettle Leaf, Cayenne, Pumpkin Seed, Sarsaparilla, Orchic Substance, Licorice Root, Astragalus, Tribulus, Boron, and Ginseng.

To *"try"* LONGitude risk-free for an entire 30-days, call TOLL-FREE 1-800-518-3492 (anytime 24 hours a day) *or...* Go to www.longitudecapsules.com to order online and to view some *DRAMATIC* before and after photos!!!

Censorship: Harmful to Minors

(continued from page 78) curtail speech, because the law shoulders adult Web-site operators with the burden of preventing children's access to their material. The stakes are even higher for the suppression of Internet media than for older information sources. "In traditional media—TV, movies, even most books—publication is so expensive that the average person can't use them to reach a mass audience," says Bennett Haselton, Webmaster of the free-speech advocacy Internet site Peacefire.org. "To the average person with Internet access, censorship of the Internet should be more of a personal issue than censorship of TV or radio, because it doesn't just affect what they can see or listen to, it affects what they themselves are allowed to say."

Internet publishers who can't afford to implement expensive age-verification screens would be forced to censor themselves or face fines and imprisonment. Since speech that is harmful to minors has never been clearly defined and is therefore determined by individual juries, Web-content providers would have to limit their speech to what they believe the least tolerant community in the U.S. considers acceptable in order to even come close to eliminating the possibility of prosecution.

"COPA...requires them to make this unwelcome choice...[Web-site operators] are going to self-censor because that was the only option that will ensure that you're not prosecuted," argued Ann E. Beeson on behalf of the ACLU and the other respondents before the Supreme Court. "What it's going to effectively do is have COPA driving a certain category of speech protected for adults from the marketplace of ideas that is the Web. The Web provides access to more speech by more speakers than any other communications medium in history. COPA threatens to transform this dynamic medium into one that is fit only for children."

"To the average person with Internet access, censorship doesn't just affect what they can see or listen to, it affects what they themselves are allowed to say."

Besides COPA, Congress passed the Children's Internet Protection Act of 2000 (CIPA), which requires libraries to implement Internet filters that block objectionable material if they receive federal funding. Libraries that don't want to make their computers "kid-safe" and can't afford to offer Internet services without the government's help have to discontinue Web access to their visitors.

Besides which, "Censorware doesn't work very well," says Electronic Frontier Foundation's Tien. "It offers a false sense of security, and it blocks a lot of stuff that shouldn't be blocked in the first place—the obvious example is a keyword-block for *breast*, and it's a site about breast cancer or chicken breasts."

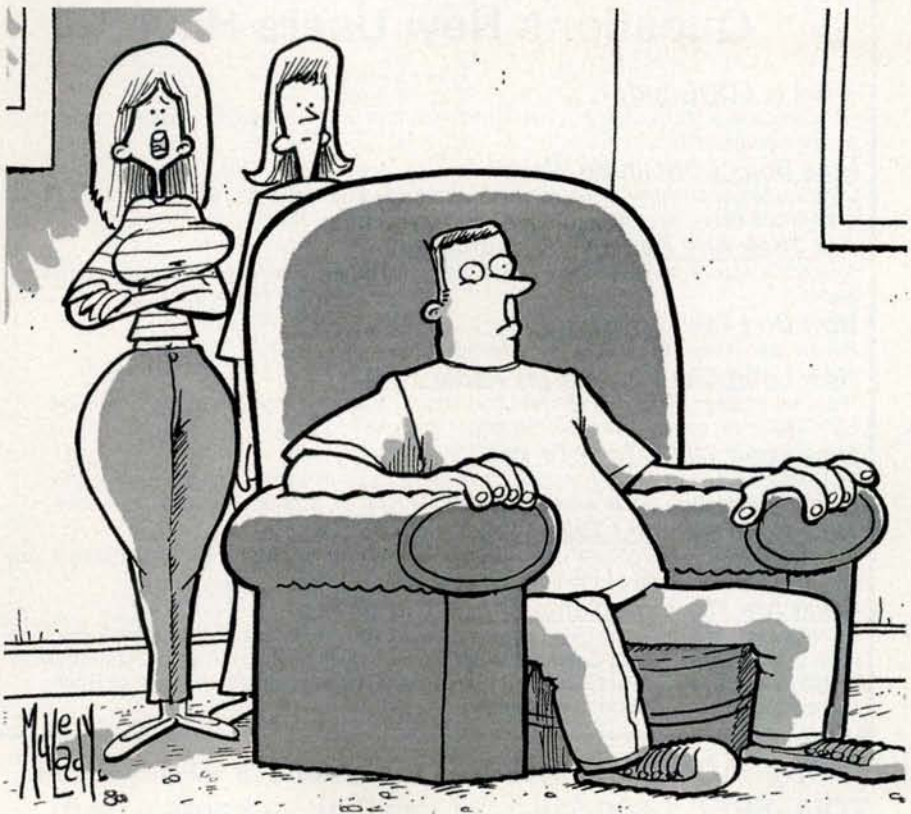
The American Libraries Association is currently challenging CIPA in court. "Our problem is with a one-size-fits-all mandate by congressmen in Washington," says Emily Sheketoff, executive director of the American Libraries Association's Washington, D.C., office. "The children are still not protected, and [CIPA] is unconstitutional because it blocks perfectly acceptable, legal information from adults."

Adult television viewers were also blocked from watching certain programs when Congress passed a law in 1996 to keep children from seeing "scrambled porn," in which the signal bleeds from adult-video stations, allowing nonsubscribers to hear moaning sounds and see an occasional nude breast. Cable operators were forced to either block the offending channels completely or relegate the explicit programming to the hours between 10 p.m. and 6 a.m. Adult subscribers who wanted to watch softcore porn during the day were out of luck until May 2000, when the Supreme Court struck down the law for violating the First Amendment.

Many of our "current" ideas regarding childhood and innocence date back to the Victorian age. "A lot of the early censorship laws which focused on sexual material were designed to prevent young and vulnerable minds from being exposed to sexually arousing art and literature because of fears of masturbation," explains Heins. "There are still a lot of conflicted feelings and anxiety regarding masturbation that are still fueling knee-jerk-reaction censorship laws."

In the Victorian era, the ills of self-pleasure were thought to extend far beyond crusty gym socks. "The solitary vice" was believed to cause an array of maladies, including dementia, hysterical attacks, paralysis, auditory hallucinations, constipation and, ultimately, death.

Attempts to control the onanism of young people led to (continued on page 126)



"Poor Bert. First it was the Easter Bunny, then Santa Claus. Now he finds out there's no such thing as a compassionate conservative."

HUSTLER'S PRECIOUS PINK™
HUSTLER VIDEO
BODY BUSINESS
WHEN SEX MEETS FASHION!

Some think that certain girls are too pretty for porn. HUSTLER proves those pussies wrong with Precious Pink. Director Patrick Handsome goes behind the scenes of the fashion world, where babes gorgeous enough to be on the cover of a fashion magazine slurp pricks then bend over and welcome the slobbery joints into their high-class shitters. Precious Pink delivers depraved stunners as skilled in the bedroom as they are on the runway. Covergirls who eat cum. Who could ask for anything more?

Also available...PRECIOUS PINK NO.2! (#PPV2 or #PPD2)

Censorship: Harmful to Minors

(continued from page 112) bowdlerization and outright bans of books and works of art, as well as innovative solutions such as bans on bicycle riding for girls (the friction was believed to cause masturbatory impulses) and boring dietary habits (eating bland food was thought to curb impure thoughts). Nighttime electrical erection alarms for boys and surgical clitoridectomies were also part of the strategy. Perhaps not surprisingly, child suicide spiked dramatically by the end of the 1800s, with shame and fear of punishment reported as two of the main motives for self-annihilation.

The Reagan Administration's antismut witch-hunts in the 1980s are a prime example of Victorian-style "morality" run amok. Foes of free expression again attempted to use imagined ills to control the personal lives of citizens.

The 1985 Meese Commission was formed to contradict the findings of a 1970 board appointed by Lyndon Johnson. The report issued by the Meese Commission remains one of the only official sources to suggest a causal relationship between adult material and deviant behavior. Where Johnson's panel conducted more than 80 studies of porn over two years and concluded there was no evidence that pornography leads to rape or sexual assault for either adults or juveniles, the Meese Commission spent only six months, with little firsthand research, to make their own politically motivated determination. Even this conservative group was unable to reach a unanimous conclusion, and its own minority report stated that the published findings were not in keeping with the amassed social-science data.

In the Victorian era, attempts to control young people's sexuality led to electrical erection alarms and surgical clitoridectomies.

A meeting of actual scientists held concurrently with the Meese Commission and headed by then-Surgeon General C. Everett Koop sided with the Meese dissenters. "It is rather difficult to say much definitive of the possible effects of exposure to pornography on children," the panel's findings pronounced.

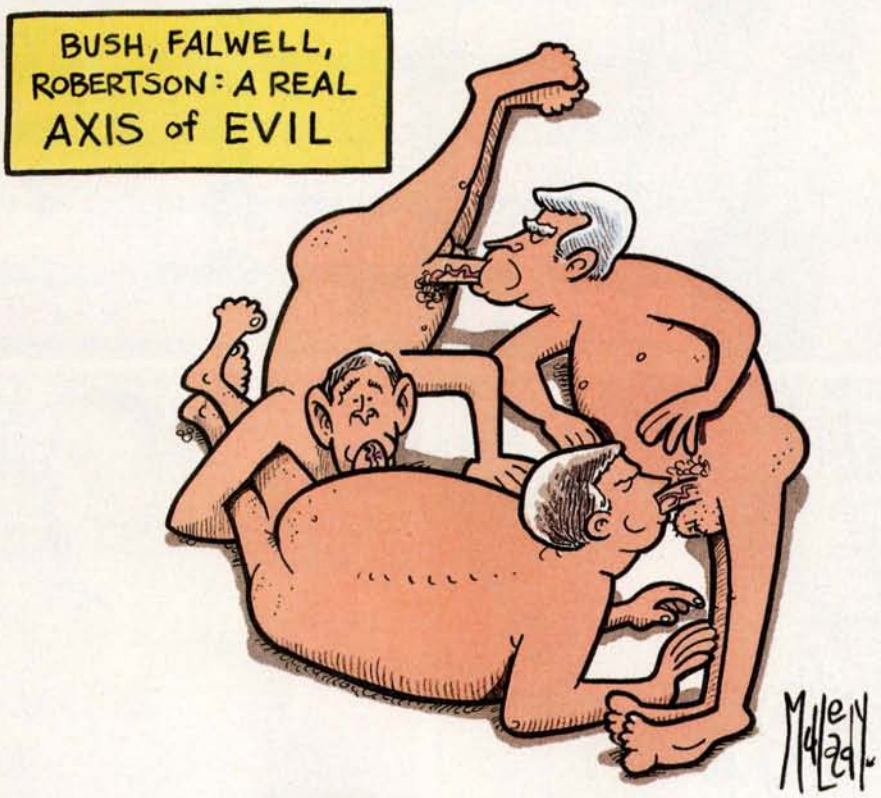
In Japan, sexual images are easy to come by, even for children and teenagers. *Manga* comic books—which are wildly popular in Japan with both male and female youths—are full of violent and explicit sexual content, often depicting scenes of rape, bestiality, necrophilia and incest involving children.

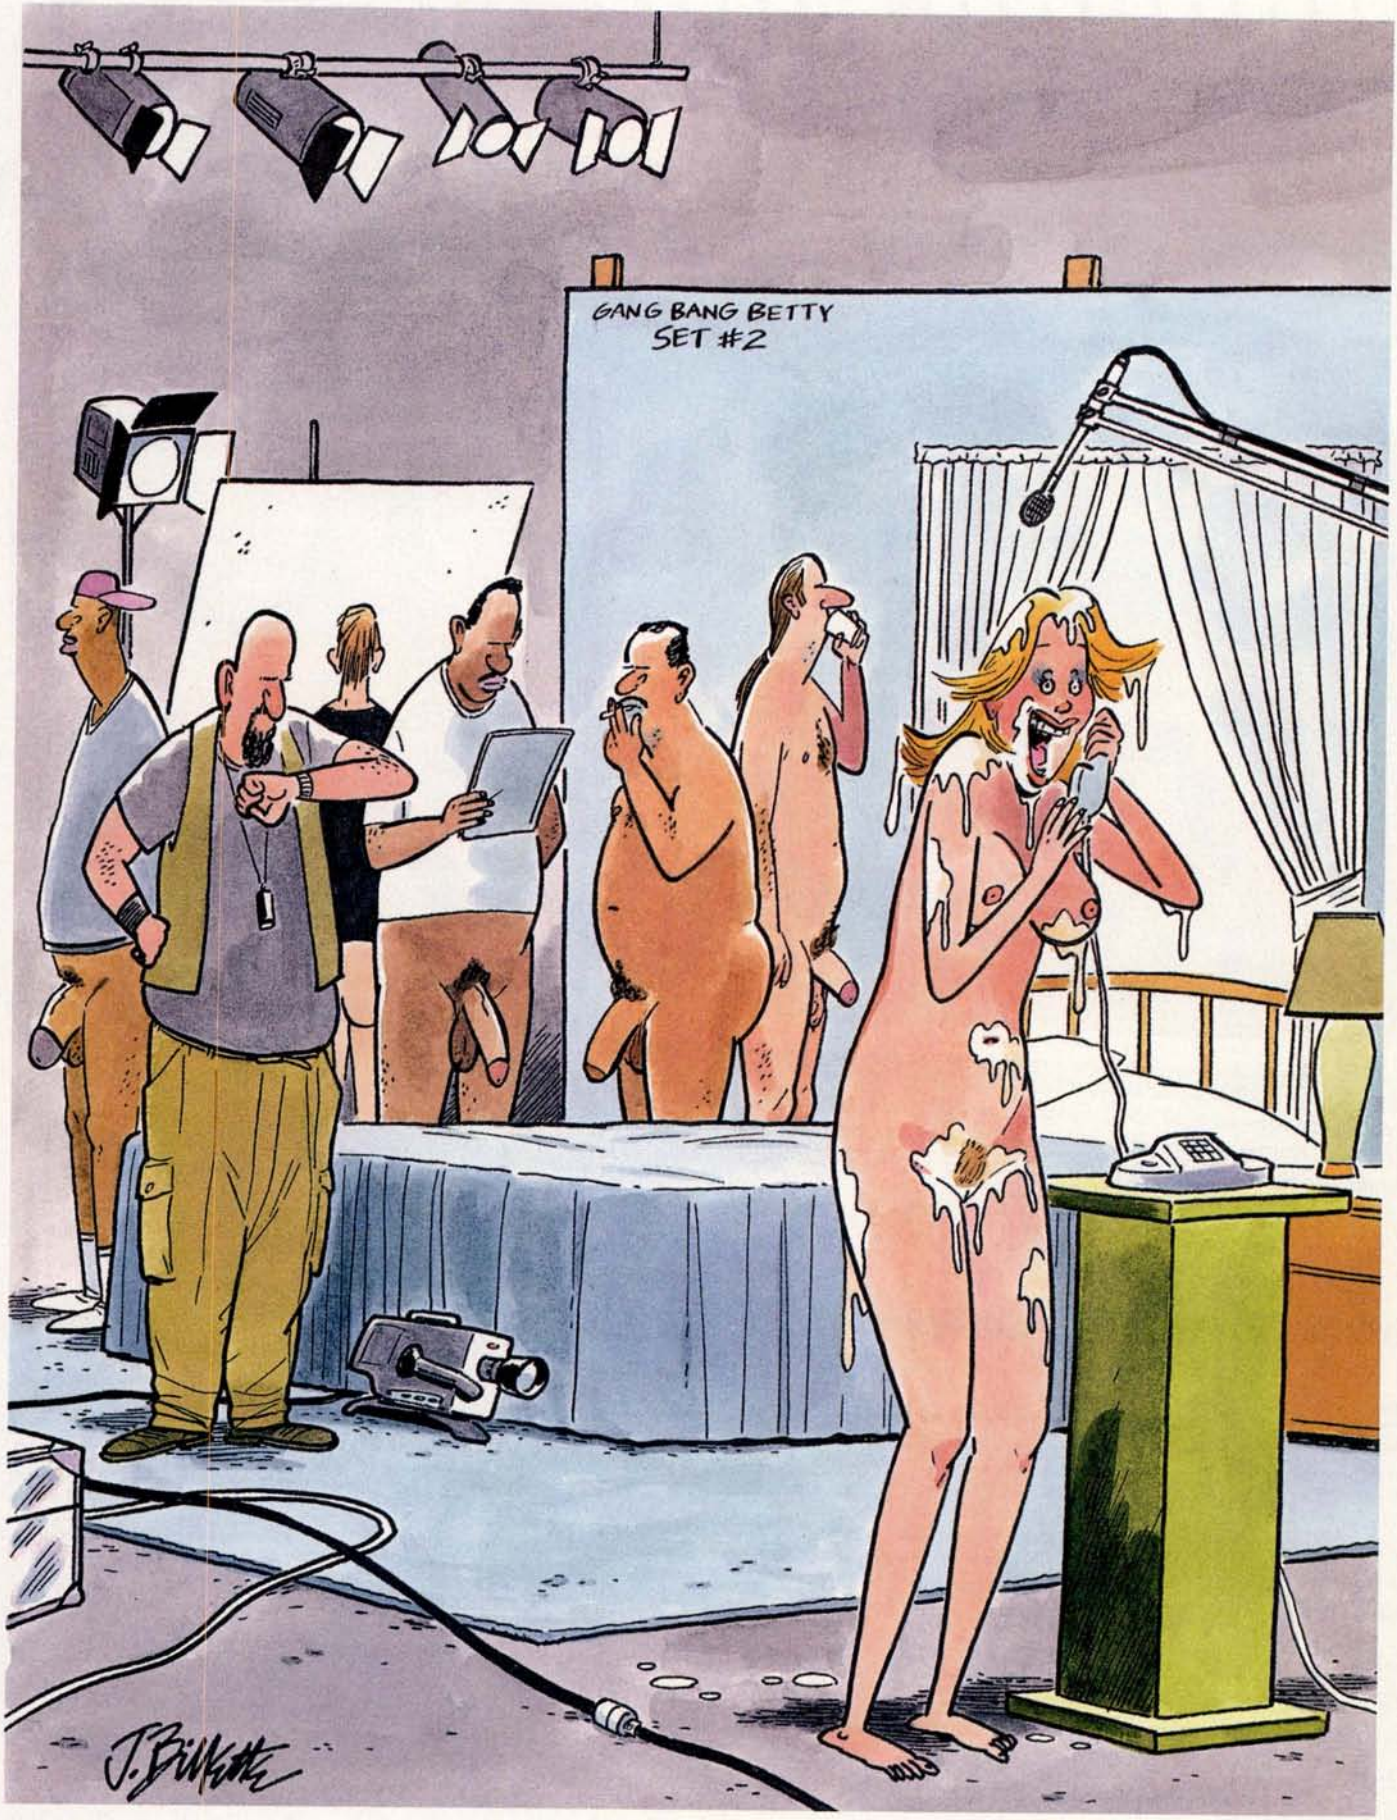
With all the readily consumed, sex-and-violence-driven material, the rates of unwanted pregnancy, STDs, rape and other sexual maladies in Japan are much lower than in the United States. The number of juvenile sexual offenders fell 85% in the Land of the Rising Sun between 1972 and 1995, while the popularity of *manga* grew steadily. According to a Senate Judiciary Committee report on sexual assault, American women are 26 times more likely to be attacked than their Japanese counterparts.

When forced to legally justify the position that adult material harms young people, the United States judicial system essentially admits that there's no rational basis for the Right's attempts to prohibit expression. "When these notions of harm to minors are challenged in court, and the government is forced into articulating what it thinks the harm is, it acknowledges that...it's not about empirical proof of psychological harm, including bad behavior," says Heins. "The government takes the position that it doesn't have to prove there is any empirical basis to believe that sexually explicit material is harmful. A government brief on the Child Online Protection Act, which is before the Supreme Court, says, 'Pornography conveys an abnormal sexual perspective,' and that is the basis of the government's authority to criminalize [porn]."

Whatever message one might think that pornography conveys to children, a generation raised without any contact with sexual material would hardly grow up with a realistic worldview. Preventing young people from accessing controversial subject matter would require the repressiveness and punitiveness of a totalitarian regime—hardly an ideal environment for raising healthy, thoughtful children.

Free-speech activist Haselton adds another inescapable conclusion, one that apparently is all too easy to forget. "There's a widespread belief in this country that you shouldn't challenge your parents' beliefs until you're 18," says Haselton. "Unfortunately, if you wait until then to start thinking for yourself, it's too late."





"Mom, I made it! I'm in the movies!"

Flash for Cash!

Attention, ladies! *Are you an amateur nudist over 18 years of age? The 2002 Beaver Hunt Grand Prize Competition is looking for you! Snap a few clear, color pictures, and mail them to HUSTLER Beaver Hunt, 8484 Wilshire Boulevard, Suite 900, Beverly Hills, CA 90211. Every lady whose picture we print gets $250 and a chance at the 2002 Grand Prize—a photo-feature worth $5,000. Grand Prize Finalists win $1,500 each. The award for the photographer of the Grand Prize Winner is $500, and the Finalists' photographers win $250. All photographers of models appearing in Beaver Hunt receive a one-year subscription to HUSTLER. Fill out the model release below, and include copies of two forms of ID. Your photo, date of birth and signature must appear on the IDs (not necessarily all on the same one). All photos become the unreturnable property of HUSTLER Magazine.*

Hungry? Sunshine, a dietician from Coal Grove, Ohio, looks tasty enough to eat. The 26-year-old treat hikes and plays softball often, but laments that she has never been "ravaged by three beautiful, sex-starved lesbians." Looks like you'll have to add tuna to your menu, Sunshine. *—Photo by Friend*

Adventure is Andora's middle name. The beach-bound 26-year-old invents fantasy games, explores nature and crawls into abandoned buildings for kicks. Andora's fantasy involves "going to a rock concert in a miniskirt with no panties and getting fucked from behind by a handsome stranger." We'll mosh in that pit.

Jenn, 22, from Alexandria, Louisiana, admits that she has an attitude. With her sights set on a college education, the Southern lass enjoys swimming and taking strolls. The sassy Beaver isn't offering much in the way of fantasies. Just "use your imagination," she insists.
—Photo by Husband

Wanna date? Try 25-year-old Shawna from Boston, Massachusetts. This self-professed escort loves singing and, as far as fucking goes, is up for "everything."
—Photo by Friend

"I love all water activities," purrs 29-year-old Stacy of Phoenix, Arizona. Going to casinos and hanging out with friends also score high on the apartment manager's list of pastimes. In the future, Stacy "would like to be with another female." —Photo by Friend

We're buying what Jada, a 21-year-old sales rep from Orlando, Florida, is selling. The Sunshine State stunner is into shopping, sunbathing, movies, Jacuzzis and bubblebaths. Jada yearns to experience "naked mud or oil wrestling." —Photo by Boyfriend

Heather, 27, thrives on sex, suntanning, shopping and camping. The Laingsburg, Michigan, housewife creams at the thought of "sex in a waterfall with my husband." —Photo by Husband

Jules of Troy, Ohio, is deeply fascinated by her own slit. The 24-year-old homemaker loves karaoke and exploring new ways to be fucked. The sexually inquisitive Beaver likes to imagine "riding my husband's prick while having a hot brunette suck on my clit, while sucking a big, fat cock."

—Photo by Husband

Nice Beaver, eh? Sable is a 21-year-old dancer from Winnipeg, Manitoba, who can't resist taking a dip. When she's not stripping and swimming, the young Canookie pines for "sex on the top of the Empire State Building." —Photo by Friend

Who wouldn't love a woman who can itemize deductions and handle a hog? Holly, a 30-year-old accountant from Covina, California, is into dancing, riding Harleys, fishing and fucking. The blond biker's dream is to participate in a hot, baby-oil-drenched "HUSTLER photo-shoot with a sexy Honey." Somehow, it all adds up. —Photo by Husband

"I have a wonderful personality," boasts 19-year-old Dominique of Middleburg Heights, Ohio. The vegetarian and wannabe model is into sports, fishing, working and fun. Regarding her sexual fantasies, Dominique is tight-lipped, cryptically stating, "just send me to paradise; you'll see." —Photo by Friend

All-natural Melissa works for a silicone manufacturer in Granville, New York. When the 25-year-old redhead isn't watching NASCAR, hanging out or having hot, steamy sex, she plots her career as "a nude model." —Photo by Boyfriend

Maggie, 29, of Cheyenne, Wyoming, is one hot filly. This blue-ribbon Beaver loves watching porn, playing with toys and being videotaped by her husband. Maggie's ideal hootenanny would be "going to a swingers' party in Vegas and having a threesome with girls." —Photo by Husband

Dana, a housewife from Orange, Texas, has an honorable mission: "to dispel the myth that girls don't get off by sucking dick." The 29-year-old blowjob advocate enjoys cooking, reading, gardening, watching movies and playing with her pets. —Photo by Husband

Strippers love attention. Sherrie, a 21-year-old dancer from Wasilla, Alaska, longs to fuck on camera and "has always wanted to be in a men's magazine." The spotlight is on, Sherrie; spread 'em and smile.

—Photo by Friend

Michelle of Tallahassee, Florida, loves dancing, partying, skiing and racing. On the clock, Michelle is a professional secretary. Off hours, the 28-year-old hunts down recruits for her dream screw, which would include "two women and my husband."

—Photo by Husband

Chantel, a 22-year-old student from Miami, Florida, digs dancing, partying, swimming and music. The Sunshine State sister would love for her and her hubby "to have an orgy with another couple."

—Photo by Husband

Leslie from Santa Cruz, California, is into mountain biking, running and weightlifting, particularly the two hefty sacks mounted on her chest. The 34-year-old mother and housewife would love to work up a sweat with "another woman or two men." Leslie's only caveat is that her fuckmates "must be athletic."

—Photo by Husband

With two pierced lips and both nipples skewered, Stacie, 26, is all about symmetry. Photography, sex, shopping and traveling all interest the Tampa, Florida, native, but it would really ring her bells "to have guys jerk off to my photos in HUSTLER." You're in and stroked to, Stacie. Are we even?

—Photo by Friend

Every Beaver needs goals. Tracie of Noonan, Georgia, aims to try "sex with two men" or "sex with another woman." In the meantime, the tattooed, 33-year-old supervisor loves sunbathing, fishing and swimming.

—Photo by Husband

Michelle, a legal assistant from Omaha, Nebraska, cranks the bands Disturbed, Stereomud and Second Coming whenever possible. The 29-year-old metalhead wants to be in HUSTLER "so that millions of people could beat off while looking at me." Rock on, Michelle.
—Photo by Husband

Mindy, 25, enjoys fast cars, exotic dancing and having fun. The Rogers, Arkansas, cutie dreams of "getting naked with Janine." Go figure, Mindy; HUSTLER readers are into the exact same things!
—Photo by Friend

Baltimore, Maryland, babe Ann enjoys exercising, reading, cooking and fucking. The 57-year-old hottie would love to heat up "a ski lodge, having wild and passionate sex in front of the fireplace while it is snowing outside."

EUROPEAN GROWTH SYSTEM

Are you embarrassed because of your penis size while in front of your lover? Are you embarrassed when you meet a new girl? Were you embarrassed in the men's locker room? You don't have to be anymore.

IT'S A FACT: ANY MAN, ANY AGE, ANY RACE CAN ACHIEVE A LONGER, THICKER AND HARDER ERECTION.

With the European Pulsating Penis Growth System, 9 out of every 10 men show permanent gains on average up to 5 3/4 in. Acceptable for ages 18-74, penis enlargement systems have been considered "Simple, Safe and Effective" by the U.S. News And World Report. (8/24/92). No prescription is needed, and is a highly recommended treatment for small penis size, impotence and pre-mature ejaculation over any risky and unneeded cosmetic surgery. This pump growth system utilizes a 100% pure vacuum tight seal and is one of the only European systems equipped with a vibrating chamber that will slide up and down your penis while you watch it grow. This growth and enlargement system also can increase the amount of ejaculative fluids by 50%.

Strong and sturdy clear passage entry system provides excellent visibility so you can watch your penis grow.

State-of-the-art flexible and protective tubing for maneuverability.

Vibrating bullet with Swedish Erotica Battery Pack

Locking purge valve for easy shut off to maintain a 100% vacuum seal.

Smooth black latex provides a complete vacuum seal, comfort and "vagina like feeling"

Easy-to-use hand pump

DOCTOR DISCOVERS PILL TO ENLARGE YOUR PENIS!

PRO+PLUS PILLS WILL WORK FOR YOU!
WE OFFER A 100% MONEY BACK GUARANTEE!!

No Pumps, Exercises or Prescription!
Doctor Approved Pill Will Enlarge Your Penis up to 4 Inches!

"This pill really works. I am now a harder 9 inches, which makes me feel good about myself. Besides wanting to be bigger, I always got soft to soon. Now that doesn't happen anymore. I'm hard like a rock from start to finish. I don't stop until she says 'you are terrific' and cums right along with me." -JS, Ohio

You Will Have These Penis Gains In A Few Weeks!

Just imagine when your sex partner sees how thick and long and hard you are. How about when men will gasp with envy the first time they see the new you in a locker room, shower or gym. Your larger penis will give you the confidence to meet the challenge of any woman. Penetrate deeper and see just how much greater satisfaction your sex partner will have. You will feel in total command because now any possibility of going soft, and premature ejaculation will be eliminated with your new rock hard much larger penis.

HOW DOES PRO+PLUS PILLS ENLARGE YOUR PENIS?

The corpa cavernosa are the two spongy bodies of erectile tissue on either side of the penis. An erection is caused by blood filling the erectile tissues. But what if the erectile tissues were made larger? What if you could somehow expand the size of the erectile tissues? Then of course the erectile tissues would hold more blood and you would have a significantly larger penis. Blow up a balloon with more air and you have a larger balloon. Fill the erectile tissues with more blood and you have a larger penis. Without any effort on you part, without any exercising, pumping or stretching, PRO+PLUS PILLS will expand the erectile tissues longer and wider and fill the erectile tissues with a larger supply of blood so that your penis will gain up to 4 inches in what has been described as a miracle. **You can make that miracle happen.** You can have the penis size you always dreamed of with the PRO+PLUS PILL and we GUARANTEE IT!

IS YOUR PENIS SIZE AVERAGE?

You probably have heard or read somewhere the average penis size is about 6 inches. If your penis is 6 inches and you want to be average then don't read any further. But if your not satisfied with an average or less then average size penis, the PRO+PLUS PILLS will help you grow up to 4 inches and it is perfectly safe and it is your secret because you can take the PRO+PLUS PILLS without anyone knowing that you are taking it.

HOW LONG WILL IT TAKE TO ENLARGE YOUR PENIS?

In a couple of weeks the most noticeable change will be the width of your penis and longer lasting erections. Then after a month or two you will see a change in the length of your penis and again you will notice a thicker and wider penis. As you stand in front of a mirror you will be amazed even without an erection how your penis wil 'hang' longer and thicker. After the third month when you have an erection you will see a very noticeable change. Not just in size but your penis will look firmer, stronger then you ever dreamed possible. **No pill sold anywhere can give you the maximum potential you want in two months.** Why settle for less when you can have much more. WHAT EXACTLY IS THE PRO+PLUS PILLS?

Discovered by Dr. Dmitri Zorken and his research team PRO+PLUS PILLS is a powerful natural herbal penis enlargement formula that increases penis size, stronger erections and maintains your sexual virility. Combining the formulations of the type of herbs found in many parts of the world that can enlarge the penis erectile tissues. We also included some of the same type of herbs found in Polynesia where the men of the Mangaian tribe have sex on the average of 3 times a night, every night. While this is not what you may wish, it is nice to know your sexual performance can improve substantially.

HOW BIG IS BIG AND HOW MUCH DO YOU NEED TO SATISFY YOUR PARTNER?

Consider the difference between a 7, 8 or 9 inch penis that is thicker and a penis that is 4 to 6 inches and narrower. With a larger penis you penetrate more sensitive areas of the woman. Your longer penis probes deeper searching those special nerve endings. The added width to your penis fills and presses her from side to side to give your partner the most exhilarating sensations. **It is possible for you to reach the most sensitive area of all, a woman's G-spot.** These sensations will produce for a woman the ultimate multiple orgasms. At the same time because you are reaching a woman's most sensitive areas with your larger penis you will receive more pleasure to your sensitive nerve endings. Just knowing you are giving your partner this pleasurable experience will certainly give you the added confidence of being a better lover.

WHAT WILL THE PRO+PLUS PILLS DO FOR ME?

- A longer, thicker penis. Penis Enlargement up to 4 inches or more
- A longer, thicker penis even when you are not hard. Because there is more blood flow to the penis, your penis 'hangs' larger all day.
- You will have bigger, harder erections. Because of increased blood flow your erections grow harder.
- Erections when you want them. Rock hard erections every time. No more problems because you can't get it up and keep it up. PRO+PLUS PILLS will keep the blood flowing to your penis so you will always get hard and stay hard.
- Stronger and more intense orgasms
- Stop premature ejaculations
- Safely enhance the size of your penis.

WILL THE PENIS ENLARGEMENT BE PERMANENT?

Yes it is and you control the growth because once you reach your optimum size you could stop taking PRO+PLUS PILLS for Penis Enlargement. We say you could stop taking the PRO+PLUS PILLS because it is not necessary to be larger then 9 or 10 inches. Most women can only comfortably accommodate a 9 or 10 inch penis. Anything larger then that may be too large for most woman. Nine inches or more than 9 inches, the choice is yours.

ALL GIRLS ARE 18+

My stepdad's fingers plunged into my sopping-wet cooch, his thumb brushing my clit and adding to the jolt from his Electrogasm machine.

(continued from page 50) see the manager.

The fat counter-girl tried to interest me in a number of sex gadgets. Even though I told her that all I could afford was a souvenir butane lighter, she explained the uses for a double dildo several times, as if I didn't understand plain English.

When the lecture turned boring, I looked around the store. I was floored: There was my stepdad at the opposite register! Another clerk was handing the old man a small bag.

I never saw Wilbert pale the way he did when I approached him. He mumbled something while I checked out his purchase, a three-inch metal lozenge with doorbell wire attached.

"It's an electrical toy," Wilbert explained, after I assured him he wasn't busted. "I can show you how it works, if you want."

We scurried home, leaving the heavy girl with tears brimming in her eyes. She must have really needed a sale.

We didn't have much time before Mom came home; so Wilbert explained electro sex on the way. By the time we made it to his bedroom, my cookie was moist with curiosity.

My stepdad went to his nightstand and pulled out his Electrogasm, a machine that was about the size of a lunchbox and covered with dials and warnings. Wilbert pulled a tangle of clamps, electrodes and something I now recognize as a stainless steel butt plug from the same drawer.

Wilbert put some kind of gel between his balls and his asshole. I was surprised by his informality around me, but the whole spectacle was fascinating. He attached an electrode to the slimy spot and let the current rip. My stepfather was rock hard in seconds and squirted sperm onto my midriff shortly thereafter.

"Try it, Lainie," he said, offering me two clamps. I took off my sweater and wiped his mess up, then attached the small vises to my nipples.

The jolt that my stepdad sent through my body scared me and lit me up at the same time. Wilbert adjusted one of the dials on his machine; the pleasure increased. My nipples hardened into fiery diamonds, and my abdominal muscles contracted of their own will. The old man's fingers slithered into my panties and plunged into my sopping-wet cooch, his thumb brushing my clit and adding to the jolt from his machine. I scooted my damp panties down past my ass cheeks, grabbed him by the elbow and humped his hand.

Whether from some low level of current passed between us, or simply from the novelty of fingering his stepdaughter, the little freak sprouted wood again. His veiny snake was huge; I begged him to fuck me just as an electrically assisted climax buckled my knees and made me spray wet poon juice all over my shoes.

Before I could wring a fuck from Wilbert's thick dick, he had to rearrange the hardware. I fought to keep the nipple clamps that had prompted my first feminine ejaculation; he replaced his simple electrode with a shiny cock ring and a metal-studded collar for his balls.

Wilbert handed me the gleaming metal lozenge I'd seen him purchase in the store. "Happy birthday, sweetheart!" he cried. "My Lainie's a grown-up now. I was going to surprise you with this special gift, but go ahead—stick it up your ass."

I greedily accepted, using some of my stepdad's electrode slime to spread my bunghole.

Wired to the gills, we turned on the power. A jolt in the tit-buds had been fun, and still was, but the galvanized steel disc lodged up my dookie hatch burned a little until I became used to it. Jazzed as we both were, Wilbert and I were ready for serious fucking almost immediately. He mounted me and rammed his enormous dong into my girlish twat with some effort.

I lay back on the bed, letting the voltage tingle me every place my stepdad's prick neglected. His armored sac banged against my butt, making contact with my electrode gel. The resulting spark forced the first simultaneous orgasm of my day-old adulthood.

As Wilbert unloaded a second helping of nut butter, I felt a crackling convulsion rack my body. I wasn't afraid of it though; this was simply what it felt like to be alive. By the time we'd finished, I'd soaked the bed, and we had a hell of a time cleaning up before Mom came home.

For the record, I don't believe the anal probe was intended as a present for me. My stepdad already had a wired butt plug for himself in his nightstand drawer, and I bet the little shit thinks he was buying my silence. He doesn't realize yet that the only way I'd tell on him is if Wilbert ever stops shocking me with his gizmo.

Coming Next Month in HUSTLER

Heat to Beat

Work up a sweat with the hotties in HUSTLER's sweltering August issue. A busty, blond tramp hauls her stud to a garage where he thoroughly plugs her tailpipe. An exotic beauty spreads wide and stakes her claim to being the princess of pee. An angel-faced dominatrix plays devil girl when she keeps her throbbing man-slave on a tight leash. Nature-loving dykes camp out in the desert and use a dildo to explore their wide-open spaces. The heat coming off the pages of August's HUSTLER will make meat thermometers pop.

Boxing's Toughest Comeback

Once primed to become one of boxing's greats, middleweight contender Tony Ayala Jr.'s career hit the canvas when a rape trial and a 16-year prison stint devastated his future. At 36, Ayala began a remarkable comeback that was cut short when he shattered bones in his left hand while landing a punch. His first defeat resurrected old demons, and Tony eventually found himself shot and bleeding in the kitchen of a woman's house. In a brutal HUSTLER profile, correspondent John Albert uncovers the dark secrets fueling a rage that nearly killed Ayala.

Tranny Cop

Even former Mayor Giuliani's cleanup of New York City's underbelly couldn't dent the burg's notorious transgender population. One reason why chicks with dicks still abound in the metropolis may be that Giuliani's beloved police force employs officers who describe their perfect woman's best attribute as "her uncut cock." Reporter Selwyn Harris follows a seven-year veteran of the NYPD to his favorite she-male haunts and meets every stripe of transgender individual, from ultrafemme dick-bearers who vogue in exclusive tranny clubs to Latin *mamacitas con huevos* who sashay through the outer boroughs, in a ballsy HUSTLER feature.

Blue Barbecues

Attain sexual salvation with the sinful sermons of porn priestess Jeanna Fine in *Dear Slut. Bits & Pieces* perverts fond memories with the latest in hard-core software, Windoes Xpunge. Quench your thirst for smut by sucking down a foamy 12-pack of X-rated reviews in *Erotic Entertainment*, and join the local girls of summer for an amateur strip in *Beaver Hunt*. The August HUSTLER is a scorching cookout packed with babes who are eager to serve your meat.

August 2002 HUSTLER on sale May 28.
